Angie reported that collaboration has been done with the WMW One-Stop Operator, Janie McNabb, who has conducted focus groups, research and evaluation of youth programs to determine the best delivery solutions. WMW is piloting the new service design with direct delivery of services. However, in Kent County, WMW contracts with two Youth service providers: Kent Intermediate School District and Steepletown Neighborhood Services. These two contracts expire in June 2020, and staff are evaluating the best way to move forward in Kent County for consistency of service delivery in all counties. Angie reported that WMW will work with the State to...
extend current contracts with Kent ISD, Steepletown and Allegan Area Education Service Agency (AAESA), while determining the long-term strategy. Angie also reported that the Foster Summer Youth Employment Program (SYEP) continues to be a difficult program to coordinate given the short duration of the program. Angie noted that direct delivery of this program could assist with ensuring success of the program. Angie further reported that WMW has been approached by another organization to provide summer work experience services, and WMW is planning to hire a Youth Career Coach directly for Kent County, in addition to funding the contractors. This additional position will allow more flexibility for innovative design and the ability to administer the Foster SYEP. Angie stated that WMW staff members will use the next eighteen months to strategize and evaluate outcomes of youth program redesign to determine the best strategy for youth programs of Kent County.

Jacob stated that the current bylaws do not address any term limits for members of the Executive Committee. Jacob initiated discussion regarding the future membership structure of the Executive Committee. Jacob noted that with upcoming changes to the Strategic Plan, WDB officer changes, and geographical representation, committee members should be aware that the membership and structure of the Executive Committee could change in the near future.
