RE: March 2020 Board Financials

Revenue

Revenues for the nine months ending March 2020 total $20,051,318 which is 3.28% under budgeted revenue and $2,153,439 under prior year revenue.

Expenditures

Operating expenses are under the budget by .29%. Some operating expense categories are slightly over budget while others are slightly under budget. In total, operating expenses are within budget.

Subcontractors is under budget by $106,854 and $51,897 under prior year. The budget underspending is from our youth contractors in the WIOA Youth program.

Training expense is $429K under budget and $3,353K under prior year. Training costs that are under budget are from Trade ($183K), Michigan Industry Cluster Approach (MICA - $62K), Trade & Economic Transition DW (TET - $105K), and FAET Plus ($68K). The MICA program is just getting started and will see this funding used in subsequent months. Trade, TET, and FAET Plus under spending reflects less n specific population than what funding could provide.

Direct Client Expense is $107K under budget and $790K over the previous year. Increases in direct client expenses over the previous year are from PATH ($344K), Community Ventures ($334K), DTE/United Way ($42K), WIOA Youth ($38K), and Trade ($22k). The increase in PATH supports spending is primarily due to serving more participants (106 more than prior year) and increased caps on support types. Community Ventures is a newer program that was not active the entire previous year.

Administration Expenses represent 12.05% of Operating Expenses and 7.64% of Total Expenses. Prior year Administration Expenses were 15.14% of Operating Expenses and 8.36% of Total Expenses.

Balance Sheet

Decrease in Accounts Receivable and Accounts Payable is primarily due to accrued trainings at June 30, 2019 that have now been paid (Accounts Payable reduction) and reimbursed (Accounts Receivable reduction) by our grantors. The decrease in Property & Equipment reflects the depreciation taken since June 30, 2019. All other line items appear reasonable.

MEMORANDUM

TO: West Michigan Works! (WMW) Workforce Development Board (WDB) Executive Committee

FROM: Brenda Isenhart, WMW Chief Financial Officer

DATE: May 4, 2020

RE: FYE 2021 Budget

The budget for the fiscal year ending June 30, 2021 was approved by the ACSET Governing Board on April 27, 2020.

Revenue

The 2020-2021 budget plans for $25,990,000 of total revenue. This represents a 2% decrease over the proposed 2019-2020 budget. West Michigan Works! has not yet received any planning allocations for the 2020-2021 year. The proposed budget was prepared with the following assumptions: flat funding for the WIOA, Wagner Peyser, PATH and FAET programs, a 13% decrease in Trade funding based on anticipated need, and a 9% decrease in the Going Pro Talent Fund (GPTF) awards. The 2020 GPTF has a program year that began in December last year. Therefore, not receiving the 2020 GPTF award affected both the 2019-2020 fiscal year as well as the 2020-2021 fiscal year. The planned decrease of 9% is based on our assumption of reduced GPTF funding available statewide.

Expenditures

The salaries budget is estimated to increase by $708,000 for the 2020-2021 year. This increase reflects both merit pay increases and additional positions being filled. These additional positions are necessary in order to meet the needs of our employers, job seekers, and youth.

Consumable supplies, Outside Services, Equipment Purchases and Other Expense have been decreased to reflect one-time purchases in 2019-2020 that will not be made during the 2020-2021 fiscal year.

Training costs represent a 9.5% reduction. This reduction is due partially by lack of anticipated need in the Trade and FAET Plus programs ($292k) and grants ending such as MAICA.2, MAT2, WIOA Integrated Education and Training (IET), and Trade and Economic Transition Dislocated Worker Grant ($305k). The balance is the net of increased and decreased funding available in the Going PRO Apprenticeship, GPTF and WIOA programs. At this time, we are unsure what training options will be
available as a result of the COVID-19 pandemic and possible extensions of the Governor’s Stay Home, Stay Safe Executive order.

Direct client cost reduction is primarily due to grants ending that may not be renewed during the 2020-2021 fiscal year that had provided a significant amount of Direct Client assistance. The Community Ventures grant and the Michigan Apprenticeship Industry Cluster Approach (MAICA 2.0) grant account for $350,000 of the reduction.

Budget modification will be presented to the board for approval once finalized allocations are received from our grantors.

MEMORANDUM

TO: West Michigan Works! (WMW) Workforce Development Board (WDB) Executive Committee

FROM: West Michigan Works! Staff

DATE: May 4, 2020

RE: Bylaws of the West Michigan Works! Workforce Development Board

Background
West Michigan Works! staff members were notified by the State of Michigan in 2019 that several updates were needed to the Workforce Development Board (WDB) Bylaws. In October 2019, the WDB approved the proposed bylaw updates. Since that time, the Governing Board has been unable to attain the supermajority quorum (i.e., 11 out of 14 members voting affirmatively) needed to approve the WDB Bylaws. Therefore, the WDB Bylaws agenda item has been tabled several times at the Governing Board meetings.

Due to the COVID-19 pandemic requiring virtual board meetings and the Governing Board’s recommendation of a language change to one of the sections, the following changes are now being proposed:

1. **Article II, Section 2.T. (page 4):** The Governing Board recommended using broader language as follows: *Participate in the administration of funding for other federal, state, or privately-funded employment and/or training programs in the West Michigan Works! area, to the extent provided by law.*

2. **Article VI, Section 7 (page 13):** Two revisions are being proposed to the Participation Options at WDB Meetings:
   a. Eliminating the names of specific vendors (i.e., Skype and GoTo Meeting);
   b. Adding a sentence at the end of Section 7 that states in pressing circumstances where the WDB needs flexibility to meet its obligation to provide services, WDB members present at a meeting via electronic communication may be allowed to count toward a quorum if the WDB Chairperson approves.

WMW staff have prepared draft changes to the current WDB Bylaws, which are attached.

Action
WMW is requesting support from the Executive Committee for the recommended changes to the WDB bylaws. Staff will further seek approval from the WDB and Governing Board in June 2020.
Bylaws of the
West Michigan Works Workforce Development Board

ARTICLE I: IDENTITY

These Bylaws are established on the ninth day of December 2015, for the West Michigan Works Workforce Development Board (hereinafter referred to as WDB). WDB is recognized in accordance with the Workforce Innovation and Opportunity Act (WIOA) P. L. 113-128, by the Governor of the State of Michigan, the Interlocal Agreement of Area Community Services Employment and Training Council (ACSET), and the Agreement between the WDB and the Governing Board of ACSET. The WDB collaborates with ACSET, in accordance with the provisions thereof, and with any other entities or institutions provided by law.

ARTICLE II: ROLE AND FUNCTIONS

Section 1: Role. The WDB in collaboration with the Governing Board of the Area Community Services Employment and Training Council (ACSET) shall serve as conveners and catalysts of the many stakeholders within its service area to identify and resolve workforce development issues and opportunities. D. Private not-for-profit entities and public entities that operate as businesses and are employers may be represented on the WDB in the business sector if they align with the key industry sectors in the West Michigan Works! area, such as a nonprofit hospital or prison, if identified in the West Michigan Works! local plan. Section 6: Community-Based/Youth Organizations.

A. The WDB may also include one or more representatives of private nonprofit organizations, including faith-based organizations, that have demonstrated experience and expertise, as defined in WIOA regulations, in addressing the employment, training, or educational needs of individuals with barriers to employment, including organizations that serve veterans or that provide or support competitive integrated employment for individuals with disabilities.

B. Section 7: Labor and Community-Based Organizations. The representation from Labor (Section 4 A and B) shall constitute at least 20 percent of the total WDB membership. However, any representatives of community-based or youth organizations on the WDB shall count toward meeting the 20 percent requirement for Labor representation.

Section 9: Representation of Sector. Members must be employed in the sector that they represent, except that:

a. An educational representative can be a member of a school board and not an employee of a school district.

b. An organized labor representative may be a member of a labor organization or steward without being employed by a labor organization.

Section 10: Chambers of Commerce. Individuals representing local Chambers of Commerce may be appointed to the WDB as a representative of a community-based organization or, if the Chamber functions as the local economic development agency, as an Economic Development representative.

Section 11: Loss of Membership. A member will forfeit membership on WDB should that member no longer represent the sector or group from which he or she was originally selected. A resignation is not effective until it has been accepted by the ACSET Governing Board or a successor appointed. A vacancy on the WDB must be filled within 120 days from the time it was created. Persons missing two regularly scheduled consecutive meetings will be sent written
notice from the Chair inquiring as to their interest in continued membership on WDB. Persons missing three regularly scheduled consecutive meetings, except persons who have attended two regularly scheduled meetings of a standing committee during the months in which they missed the three WDB meetings, will be removed from WDB by the Executive Committee at a regularly scheduled meeting. The Executive Committee will send written notice to a member of the time and place of the meeting at which his or her removal from membership in the WDB is proposed to be considered. Exceptions may be made by the Executive Committee based on information provided by the member.

ARTICLE IV: ORGANIZATION

Section 1: Officers. There shall be two Officers of WDB. These are:

A. The Chairperson, and
B. The Vice-Chairperson.

Section 2: Selection. The Chairperson and the Vice-Chairperson shall be elected by the WDB to a two-year term of office. Nominations for these offices will be sought by the Executive Committee prior to the meeting at which the elections shall take place. The Executive Committee will present such nominations to the WDB at the meeting at which officers are to be elected. If the Executive Committee has established a Nominations Committee, the Nominations Committee shall solicit nominations for these positions from the membership of the WDB and present the nominations to the Executive Committee. The Chairperson and Vice-Chairperson, by law, shall always be chosen from among members representing the business sector, and no local elected official may serve as chairperson or vice-chairperson. No officer may serve more than two consecutive terms in that position.

Section 3: Duties. The Chairperson shall preside at all WDB Council meetings, report to the Governing Board on WDB activities, and appoint members to committees. The Chairperson shall have the right to vote on matters as a member of the WDB. In the absence of the Chairperson, the Vice-Chairperson will perform these duties.

Section 4: Executive Committee. There shall be an Executive Committee composed of the WDB Chairperson and Vice-Chairperson, the Chairperson or his or her designee of all committees described herein (except ad hoc committees), together with any additional members of the WDB appointed by the Executive Committee; provided that the total membership of the Executive Committee shall not exceed eleven (11). To establish a quorum, a majority of the membership must participate in any decision made by the Executive Committee. The Executive Committee will perform two functions: to meet when urgent action is required by the WDB but circumstances do not permit a special meeting to be called; and to provide coordination and broad guidance to the work of the WDB,

A. When circumstances require an emergency meeting, the Executive Committee is authorized to meet at such times as may be determined by the WDB chairperson and act on behalf of the WDB. All actions taken by the Executive Committee shall be reported to the WDB in writing and this communication shall be mailed to the members within two working days following the action of the Executive Committee.
B. The Executive Committee will provide coordination and broad guidance to the WDB in the following areas:

1. Recommend Bylaws for the WDB including procedures for selecting a chairperson and other officers, as well as determinations of the size of the WDB;

2. Make recommendations for the standardization of procedures for initiating, evaluating and monitoring programs, and for orientation and in-service training of the WDB;

3. Recommend the use of sub-committees and/or technical advisory committees;

4. Initiate long-range planning for WIOA or any other federally-funded programs in the West Michigan Works! Area.

5. Review the nominations for membership on the WDB received from the Chief Executive Officer and submit its recommendations for membership on the WDB, from among those candidates properly nominated, to the ACSET Governing Board, pursuant to Section 2.F. of Article III. The Executive Committee may appoint a Nomination Committee to receive nominations for membership on the WDB received from the Chief Executive Officer, which Nomination Committee would make its recommendations for membership on the WDB to the Executive Committee. Any such Nomination Committee shall consider the principle of geographic representation described in Section 1 of Article III when making such recommendations.

6. Develop meaningful system-wide metrics and monitoring indicators of progress toward demand-driven system goals and the results of employer-driven training programs.

Section 5: Ad-hoc Proposal Review Committee. Whenever ACSET receives proposals from potential service providers for programs administered by ACSET which are within the responsibility of the WDB, the Chairperson shall appoint an ad hoc proposal review committee for the purpose of reviewing and evaluating such proposals and making funding recommendations to the WDB. A Proposal Review Committee shall consist of WDB members and ACSET staff and shall be discharged when the WDB has chosen a proposal from among those which the committee has reviewed and evaluated.

Section 6: Committees. The WDB may appoint standing committees to assist the WDB in dealing with its responsibilities. Any such committee must be chaired by a member of the Local Board, may include other members of the Local Board, and may include other individuals appointed by the Local Board who are not members of the Local Board and who have demonstrated experience and expertise in accordance with WIOA regulations and as determined by the WDB.

The Chairperson of WDB, as he or she deems it appropriate, may designate a special committee(s) to carry out a specific assignment. The Chairperson of any such special committee
shall be a member of the Executive Committee, or their designee, during the term of the special committee’s existence. Special committee(s) shall be given a specific charge and shall be discharged when their task is completed.

**ARTICLE V: STAFF AND ADMINISTRATION**

Section 1: Staff. Staff support for the work of WDB will be provided by the Chief Executive Officer of ACSET at a level commensurate with the responsibilities of WDB, and in accordance with the provisions of the ACSET Interlocal Agreement, and the WDB and ACSET Governing Board agreement. Staff support will be determined through mutual agreement between WDB and ACSET.

Section 2: Staff Coordination. The WDB will communicate with staff members who have been designated by the Chief Executive Officer of ACSET to coordinate WDB activities with those of the other elements of ACSET.

Section 3: Administration and Fiscal. The ACSET Administrative Unit will act as the administrative and fiscal unit for all activities of WDB. The WDB will neither receive nor disburse funds.

**ARTICLE VI: MEETINGS**

Section 1: Regular Meetings. At the first regular meeting after the annual appointment of new members by the Governing Board, the WDB shall set a day and time for the regular monthly meeting of WDB during the next 12 months. Meetings will be held at least once each quarter. An annual schedule of meetings must be submitted to the WDA and posted on ACSET’s website by January 15 of each year.

Section 2: Special Meetings. At the discretion of the Chairperson, or upon the written request of five or more members of the WDB, a special meeting of WDB may be called, provided that written notice is mailed to each member at least seven calendar days prior to the day on which the special meeting shall be held. This written notice must state the time, place and purpose of the meeting, and the business of the special meeting must be confined to the items described in the notice.

Section 3: Quorum and Voting. A quorum shall exist when a majority of the current members of WDB are present. A motion shall be passed or defeated by a majority of those members voting at a meeting where a quorum has been established. Each member shall be entitled to one vote. No proxies or substitutes shall be permitted.

Section 4: Conflict of Interest.

A. No member of the WDB may have an ownership interest in or be employed by any organization which receives funds under direct control of the WDB, or engage in any other activity that creates a conflict of interest or what would appear to a reasonable person to be a conflict of interest. However, this rule does not apply to a member who has an interest in or is employed by an entity that receives money under the partial or
complete control of the WDB but

   a. Does not hold a policy-making position with the entity; and

   b. Would not receive other than a remote or incidental benefit from the board’s decisions.

This exception applies to members who are associated with:

1. Educational institutions which enroll students whose tuition is paid with such funds;

2. Employers who accept compensation for the extraordinary costs of providing employer-based training from funds under the control of the WDB;

3. An organization which receives funds under the direct control of the WDB, if the member is not employed by, has no ownership interest in, and receives no compensation or income from the organization;

4. Government agencies required to be represented on the WDB;

5. Other persons or organizations authorized by statutes, rules or exemptions established by the State of Michigan.

B. No person may be a member of the WDB who:

   a. Is an employee of an agency that is contracted by the WDB to provide coordination services or administrative functions; or

C. If an organization does receive funds under the partial or complete control of the WDB, a representative of the organization authorized to sit on the WDB by subsection A may not cast a vote or participate in any decision-making capacity on any matter regarding the provision of services by the member or by the entity that the member represents, or that would provide direct financial benefit to the member or a member of his or her immediate family. The member must also refrain from influencing the votes of other WDB members on matters involving the member or entities which the member represents or that would provide direct financial benefit to the member or a member of his or her immediate family. “Immediate Family” is defined as spouse, child, parent, brother, brother-in-law, stepbrother, sister, sister-in-law, stepsister, son-in-law, daughter-in-law, mother-in-law, father-in-law, aunt, uncle, niece, nephew, grandparent, stepparent, stepchild and grandchild or any member of the household of the WDB member. However, all members of the WDB may vote upon the WIOA local Four-Year Comprehensive Plan.

D. WDB members and WDB Committee members associated with agencies which are service providers to ACSET or which will be responding to Request For Proposals released by ACSET are not to be appointed to any WDB committee which can directly affect funding of the service provider or potential service provider. This rule is
not applicable to employers involved in ACSET’s Employer-Based Training Program.

E. Representatives of a government agency who are required by federal law to serve on the WDB, such as the Michigan Rehabilitation Services, which receive funds under the control of the WDB, may serve on the WDB without first obtaining a waiver from the WDA.

F. No WDB member will solicit or accept gratuities, favors, or anything of monetary value, except for unsolicited goods or services of nominal intrinsic value, from contractors, service providers, potential contractors, or service providers. Any good or service with a fair market value of $25.00 or less shall be presumed to be of only nominal intrinsic value.

G. The WDB must file reports as required with the WDA describing the extent to which organizations with which members are affiliated received funds controlled by the WDB.

H. If any agency or organization represented on the WDB submits a proposal to ACSET for the delivery of program services funded with monies under partial or complete control of the WDB, any member of the board who represents that agency or organization, must assume inactive status, unless the member would be allowed to sit on the board by subsection A even if the proposal were accepted by WDB and ACSET. A member’s designation as inactive shall be recorded in the minutes. A member in inactive status may not vote or participate in meetings of the WDB, nor may he or she receive any information from the WDB until the expiration of the deadline for the submission of proposals, except as provided by law. Members in inactive status are not prohibited from attending meetings of the WDB as members of the general public. If the agency or organization represented by the inactive member is not awarded a contract by ACSET, he or she is restored to active status; but if the agency or organization is awarded the contract, the member must resign immediately.

I. If it is established at a meeting of the WDB that a member knowingly violated this section, the Chief Executive Officer of ACSET will report that finding to the ACSET Governing Board at its next meeting and ACSET will terminate any contract or contracts which are the subject of the violation. The Chief Executive Officer of ACSET will also request that the Governing Board remove the offending member from the WDB. Notice of the alleged violation will be provided in the written agenda for the WDB meeting.

Section 5: Conduct of Meetings. The current edition of Robert’s Rules of Order Newly Revised will be the official document governing the conduct of meetings of WDB, and all its committees except as it may conflict with these bylaws, special rules of order WDB may adopt, WIOA, and applicable federal or state statutes or regulations.

Section 6: Compliance with Open Meetings Act. The WDB and the Executive Committee will abide by the provisions of the State of Michigan's "Open Meetings Act." A notice of the date, time and place of meetings will be posted in advance.

Participation in meetings of WDB or its committees shall be limited to members except in the
following cases:

1. Non-members specifically invited to give information to WDB;
2. Non-members who desire to address WDB and who are recognized for that purpose by the Chairperson at appropriate points during the meeting; and
3. Members of Committees who are not members of the WDB may participate in committee meetings.

Section 7: Participation Options. The WDB will make every effort and will pay particular attention to participation options made possible by advancements in electronics and telecommunications. The use of Skype, GoTo Meeting, and/or other methods of teleconference will be made available for members to attend meetings and vote on matters that come before the WDB. WDB member’s participation in meetings by teleconferencing shall be consistent with the Open Meetings Act (1976 PA 267, as amended, MCL 15.261, et seq.). Upon approval of the Chairperson, Board members may appear at a meeting via teleconferencing device, including speaker phone or interactive television, provided that a quorum is present at the meeting site and all individuals attending the meeting can hear, and be heard by, the Board member(s) attending via teleconferencing device. The Board member wishing to participate in meetings by teleconferencing must notify the Board Chairperson or the Agency CEO by 12:00 noon on the business day prior to the meeting that will be missed so the teleconferencing can be arranged. Failure to establish a video/audio teleconference due to technical or other problems shall not preclude conducting the meeting, as long as a quorum is present. In the event that a Board member participates via teleconferencing, this will be indicated on the meeting minutes as “Present via teleconferencing.” Members present via teleconferencing shall be permitted to participate in Board deliberations and vote on matters before the Board, if there is a quorum physically present. However, in pressing circumstances where the WDB needs flexibility to meet its obligation to provide services in the WMW Service Delivery Area, WDB members present at a meeting via electronic communication may be allowed to count toward a quorum if the WDB Chairperson approves.

Section 8: Minutes. Minutes of all meetings of the WDB and the Executive Committee shall be duly recorded and made available to all interested parties, as required by law. Members of the WDB and the Executive Committee shall review, amend as necessary, and approve the Minutes by formal action at their next meeting. Copies of minutes of meetings shall be posted on ACSET’s Internet website within five (5) business days of their approval. Such minutes shall remain posted on the website for at least two (2) years.

ARTICLE VII: AMENDMENT OF BYLAWS

Section 1: Amendments. The WDB shall have the authority to amend or repeal these Bylaws at any meeting by the affirmative vote of two-thirds of the members present; provided that a copy of any proposed amendment is mailed to each member at least seven (7) calendar days prior to the day of the meeting at which the changes are to be considered. The WDB may revise the proposed changes as they are debated at the meeting but may not alter any other section of the Bylaws not specified in the notice of meeting.

Executive Leadership and Strategic Engagement

- **Membership:** WDB chair, committee chairs
- **Meeting Frequency:** Six times per year (opposite months of Workforce Development Board)
- **Staffed by:** Chief Executive Officer, Chief Operating Officer
- **Purpose:** To provide leadership on behalf of the Workforce Development Board, advising staff and setting strategic direction, ensuring that strategic partnerships are reviewed, analyzed, and prioritized at both the committee and board levels. The committee’s role is Leadership.
- **Strategic Plan Alignment:** While all other committees stem from the Strategic Plan, this committee convenes all committee chairs to ensure alignment and connections. Because the *Enhanced Relationships* Strategic Priority is a common thread through all committees, the Executive Leadership and Strategic Engagement committee will be the “aggregator” of that focus. Committee chairs will report not only on the activities of their committees, but also on the partnerships that are forming, any that are lacking, and the impact of those relationships. This will allow leadership to continuously assess the organization’s role in the workforce development ecosystem, and to maintain a high-level emphasis on relationships throughout the year.
- **Indicators:** The Executive Leadership and Strategic Engagement Committee will review the organizational dashboard at every meeting, identifying issues that should be addressed and/or raised with the WDB. In addition, the committee will review the Partnerships Self-Assessment maintained by staff once per year. This assessment assigns values to both the importance and the strength of relationships with various entities across the region, and is categorized by sectors in the workforce development ecosystem.
- **PY20 Focus:** Incorporate the review of relationships into the standing agenda.

Career & Educational Advisory Council

- **Membership:** Mandated

The CEAC’s role is Advisory.
• **Strategic Plan Alignment:** The CEAC convenes educational entities within the region and facilitates their connection to employers so that training is designed to meet local business need. This aligns with two Strategic Priorities: *Enhanced Relationships* and *Targeted Pipeline Development*.
  - **Strategies:** Engage opportunity youth with experiences that build occupational awareness and prepare them for career pathways within the local economy.
  - **Indicators:** The CEAC is assigned metrics by the WDB, which focus on career awareness events and apprenticeships.
    - *Apprenticeships:* # of WMW-sponsored registered apprenticeships; # apprentices and employers by industry sector
    - *Career Awareness Events:* # of students engaged in career awareness events, such as MiCareerQuest, Manufacturing Week, Talent Tours
  - **PY20 Focus:** Ensure ongoing conversation among educators regarding impact of COVID19, and any new training strategies.

**Legislative**

• **Membership:** Regional influencers
• **Meeting Frequency:** Three times per year
• **Staffed by:** Chief Executive Officer
• **Purpose:** To educate legislators representing the 7-county region on workforce development programs and impact, and to advocate for resources. The committee’s role is **Connections** and **Advocacy**.
• **Strategic Plan Alignment:** The Legislative Committee relies on relationships with legislators to ensure their understanding of our system and their continued support. This aligns with two Strategic Priorities: *Enhanced Relationships* and *Resource Development*.
  - **Strategies:** Advocate for systems and resources that lessen barriers to success for employers and underserved communities in West Michigan; Enhance the positive reputation of West Michigan Works! through brand association with workforce resources and opportunities.
  - **Indicators:** Because the work of the committee is about relationships, the primary indicators are about contacts and connections.
    - # of meetings with legislators
    - Outcome of advocacy
  - **PY20 Focus:** Impact of COVID19 on the workforce system and our new needs for support and resources
Solutions-Driven

- **Membership:** Industry Council representatives; employer members of WDB

- **Strategic Plan Alignment:** This committee addresses several items in the Strategic Plan, tying together the services provided to job seekers and those provided to employers. This aligns with the following Strategic Priorities: *Enhanced Relationships* and *Targeted Pipeline Development.*
  - **Strategies:** Connect with overlooked talent pools through partnership networks and strategic outreach efforts; Expand employability skills training services to new, targeted audiences across the region; Establish and expand services that provide solutions for retention of employees at West Michigan employers; Maintain career pathways mapping for the region’s key industries and serve as the primary resource for pathways information across the region.
- **Indicators:** Connecting Industry Councils with all three service divisions of the organization will result in improved ability to successfully prepare a skilled workforce, as well as connecting effectively with local employers.
  - Credentials attained by industry
  - WorkReady Certificates
  - Employers served
  - Career Pathways
- **PY20 Focus:** Changes in industry needs due to COVID19

RE: Solutions Driven Updates

West Michigan Works! has made quick adjustments to serve our communities to the best of our abilities in these unprecedented times. The following is a brief update of what our departments have been doing to quickly adjust to meet the changing needs of our region.

Virtual Services: In a whirlwind two weeks, our services went from normal, to limited, to appointment only, to virtual only. A skeleton crew works in each service center to answer the phones. A majority of calls are to assist people in walking through Unemployment claims. On a given day across the region, we receive between 700 and 800 phone calls, down from 1,400 when the Stay at Home Order was first issued.

In addition, all career coaches are set up with phones from home to continue to coach virtually and assist job seekers with their needs. Our talent development team has worked hard and quickly to digitize our workshops, which are now available on our website, along with virtual interviewing assistance and the tips-and-tricks handouts for job searching.

Unemployment Insurance (UI) Assistance: When asked if the Michigan Works! system could assist UI with taking claims over the phones, we quickly mobilized and have over 60 staff members set up and trained, ready to assist with individuals calling our service centers with UI claims. This will be done from home, and we are hopeful we can alleviate some of the strain from the UI system.

Youth Solutions Summer Programs: Though our summer work experience programs probably won’t look the way we were planning, we are continuing to move forward with plans for this summer. The Youth Solutions Team is working to put together a virtual package for youth, covering career exploration and career readiness. The program will include stipends and incentive payments to Youth. We will be offering this virtual program to youth across the region.
Virtual Hiring Event:
In order to best meet employers’ hiring needs during the governor’s “Stay Home, Stay Safe” directive, West Michigan Works! hosted a “virtual” job fair on April 21st and 23rd. Based on the positive feedback and demand of this event, we will be hosting a second job fair on May 20th and 21st. Employers may register to participate in a morning or afternoon session on each day the job fair is held. Each session includes a series of pre-scheduled 15-minute time slots in which the employer and candidate will have the opportunity to connect and discuss job openings. Registration for employers and candidates will be on the West Michigan Works! website. Employer registration is open May 4-8. Job seeker registration will be open May 18 – 22.

Weekly Hot Jobs Blast Newsletter
In order to highlight a broad range of jobs for employers that have hiring needs now and to accommodate the influx of employees temporarily laid off, we have expanded the criteria and format of jobs posted in the weekly Hot Jobs Blast Newsletter. In addition, we have added this job information to our website, so it is readily accessible to anyone visiting our page. Changes include highlighting jobs that with 10 or more openings and temporary positions so job seekers with a need for temporary work can easily identify these jobs.

Rapid Response Services
Business Solutions Representatives are reaching out to our employer customers in an effort to provide resources and information on layoff prevention and UIA assistance for employers needing to downsize. Rapid Response Services have been revised to provide assistance and information to job seekers electronically as well.

Retention Solutions Network (RSN)
Following the direction of the Governor, the Retention Solutions Network (RSN) suspended all onsite visits and off-site meetings through the end of the executive order. During this time, RSN Success Coaches are providing services via phone and virtual appointments. Services being utilized during the shutdown include; support services, budgeting assistance/financial literacy, customized referrals/resources to community partners and UIA guidance to employees and members of their household that are displaced due to COVID-19.

The RSN also continues to support outside networks (The SOURCE, MI ERN and The Family Economic Support Office/United Way Barry) with Community Ventures (CV) support service funding to eliminate barriers to employment and household wellness.
West Michigan Works! in the Media
The marketing and communications department has been hard at work keeping the public informed of our services and programming. Our media campaign will continue to direct job seekers to our Weekly Hot Jobs page where they can sign up to receive the weekly newsletter or register for the May 20-21 virtual job fair. Since mid-March we have seen a 80% increase to our job seeker site and 800% increase to traffic on the employer site. We have added a chat feature to all of our sites. We worked with WZZM to provide a week-long series that focused on employers who are hiring:

Governor Whitmer Announces “Futures for Frontliners,” a G.I. Bill Program for Essential Workers

Program Will Provide Tuition-Free Postsecondary Education Opportunities for Essential Workers; Governor Announces Other Initiatives to Protect Workers and Their Families During the Ongoing COVID-19 Pandemic

LANSING, Mich. — Governor Gretchen Whitmer today announced a series of initiatives to help Michigan workers and their families during the ongoing COVID-19 pandemic, including the “Futures for Frontliners” program to provide a tuition-free pathway to college or a technical certificate to essential workers who don’t have a college degree. This includes workers like the ones staffing our hospitals and nursing homes, stocking the shelves at grocery stores, providing child care to critical infrastructure workers, manufacturing PPE, protecting public safety, picking up trash, or delivering supplies.

“The Futures for Frontliners program is our way of saying ‘thank you’ to those who have risked their lives on the front lines of this crisis. This program will ensure tuition-free college opportunities and give these dedicated Michiganders an opportunity to earn a technical certificate, associate degree or even a bachelor’s degree,” Governor Whitmer said. “I want to assure all of our workers we will never forget those of you who stepped up and sacrificed their own health during this crisis. You’re the reason we’re going to get through this.”

The “Futures for Frontliners” program is the first of its kind in the country, and was inspired by the federal government’s support of soldiers returning from World War II by providing educational opportunities. Frontline workers who take advantage of this program will help us reach Governor Whitmer’s goal to increase the number of working-age adults with a technical certificate or college degree from 45% to 60% by 2030. The Governor stated that she looks forward to working on enacting her proposal with the bipartisan legislative coalition that helped pass Reconnect last month, the program to offer adults over 25 without college degrees tuition-free access to community college.

Governor Whitmer also announced that she is expanding the state’s Workshare Program to allow employers to reduce employee hours to receive weekly unemployment insurance (UI) benefits as well as the additional

$600 Pandemic Unemployment Assistance (PUA) weekly benefit. Both benefits will be funded through federal dollars. Through July, the program can act as supplemental pay for critical infrastructure workers by allowing them to collect the extra $600 per week.

Governor Whitmer also called on leaders in Congress to support Sen. Gary Peters' Heroes Fund to provide hazard pay for frontline workers putting their lives on the line to ensure access to life-saving care, food, and other critical services during the pandemic. It is estimated that more than three million of these essential workers are currently on the job in Michigan. Supported by Sens. Stabenow and Peters, the Heroes Fund proposal would provide these workers with an additional $13 per hour, up to $25,000, with an additional potential recruitment incentive of up to $15,000 for essential medical workers.

“No Michigander should have to worry about how to feed their family or pay rent during a crisis. And no Michigander should be scared to go to work,” said Governor Whitmer. “From the beginning, my team and I have been working around the clock to solve those problems for working families. And I will continue to fight for our working people long after this crisis is over.”

RE: Relaunching America’s Workforce Act (RAWA)

Legislation to Fund Workforce Introduced

The "Relaunching America’s Workforce Act" (RAWA), was introduced on May 1, 2020, by Chairman of the Education and Labor Committee Bobby Scott along with Representatives Andy Levin, Susan Davis, Suzanne Bonamici, Joaquin Castro, Marcy Fudge, Lucy McBath, Susie Lee, Haley Stevens, Joe Courtney, Steven Horsford, and Angie Craig and co-led in the Senate by Tim Kaine, Tammy Baldwin, and Tina Smith. RAWA intends to provide both immediate and long term supports to the U.S. workforce. The proposed funding structure in the legislation mirrors The American Recovery and Reinvestment Act, the stimulus bill passed in 2009 to address The Great Recession. Funding for the workforce system will be funneled through existing channels, to get resources to the local level as quickly as possible. RAWA aims to keep people on the job now, while also putting people back to work when necessary. RAWA focuses on maintaining core elements of WIOA and CTE by focusing on the most vulnerable populations and, while recognizing the definition of this will change due to the COVID-19 crisis, ensuring supports will be provided to those most affected. This Act increases flexibility so more funding can be used for training, supportive services, and career services.

A section by section summary can be found here.

Top Level Funding:
- $500 million for National Dislocated Worker Grants
- $2.5 billion for State Dislocated Worker Grants
- $2.5 billion for Youth Workforce Investment Activities

- $350 million for Reentry Employment Opportunities
- $500 million for Registered Apprenticeships
- $1 billion for Adult Education and Literacy
- $2 billion for Community College and Industry Partnership Grants (TAACCCT Grants)
Flexibilities and Legislative Takeaways:

- Provides eligibility flexibility and maintaining eligibility for use. This legislation expands on increased eligibility offered in the CARES Act, ensuring that all individuals in need of WIOA services are able to access them.
- Expands eligibility so anyone can access individualized career services
- This eligibility extends to all in the labor force, including the "gig" or independent contract worker.
- Expands the allowable amount of funds used on incumbent workers to 40%.
- Makes allowable 40% of funds for transitional jobs, including public sector jobs.
- Allows 75% of employee wages eligible to be reimbursed for on the job training.
- Allows for an additional 10% of allocated funds for governor’s reserve to be used for COVID-19 response.
- Requires states to deliver a COVID-19 recovery plan within 60 days of funds being distributed.
- Requires that at least 50% of dislocated worker grants to be distributed in 60 days.
- Makes allowable 1/3 of adult education funds to be used on incumbent worker training and employer supports.
- Native American Grants expanded eligibility to individuals at up to 150% of poverty line.
- No funds for this act may be used for IRAPs or SREs.

NAWB is thrilled to support his legislation, which is in line with the funding requests we have made to Congress. NAWB has collaborated with National League of Cities, National Association of Counties and, the United States Conference of Mayors to present a unified voice of support for this legislation.
