Jacob noted that the Governing Board will need to table the agenda item until 75% of members appointed and serving are in attendance. Jacob reviewed that at the meeting on February 24, 2020, Commissioner Geiger made a recommendation to update language in Article II, Section 2. T, from “Participate in the administration of
other federal, state or privately-funded employment and/or training programs in the West Michigan Works! area, to the extent provided by law” to “Participate in the administration of funding for employment and/or training programs in the West Michigan Works! area, to the extent provided by law.” Jacob stated that the WDB bylaws will be taken back to the WDB in June for the review of changed language.

Agenda item tabled until 75% of members appointed and serving are in attendance.

Jennifer Heinzman, President, Barry County Chamber of Commerce & Economic Development, 3.) Jim Edmonson, President & CEO, Muskegon Area First. Jacob further noted that WMW staff are requesting the WDB Executive Committee’s consideration to add Darryl Todd (Workforce Development Manager of DTE) on the board as a business sector representative.    Angie Barksdale, Chief Operating Officer, reported that the One-Stop Operator Janie McNabb (Strategic Policy Consultants) completed her report of the updated West Michigan Works! strategic plan with the WMW WDB in February. Angie reviewed the updated Strategic Plan with Governing Board members.

10. Solutions Driven Updates
    Information Item
    Angie Barksdale reported that there are multiple organizational initiatives and updates as provided in the board packet. Angie reviewed the initiatives and answered board members’ questions.
a. **Virtual Services**
Angie Barksdale reported that in just two weeks, WMW services went from normal, to limited, to appointment only, to virtual only because of the COVID-19 pandemic. A skeleton crew is working in each service center to answer the phones. Most calls involve assisting people with Unemployment claims. On a given day across the region, we receive between 700 and 800 phone calls, which is down from 1,400 when the Governor’s Stay at Home Order was first issued. In addition, all career coaches are set up with phones at home so they can continue assisting job seekers with their needs. Our talent development team has worked quickly to digitize our workshops, which are now available on our website, along with virtual interviewing assistance and the tips-and-tricks handouts for job searching.

b. **Unemployment Insurance Agency (UIA) Assistance**
Angie Barksdale reported that the UIA asked if the Michigan Works! system could assist UIA with taking claims over the phones. WMW quickly mobilized and now has over a dozen staff members set up, trained, and ready to assist with individuals calling our service centers with UIA claims.

c. **Youth Solutions Summer Programs**
Angie Barksdale reported that although our summer work experience programs probably will not look the way we were planning, we are continuing to move forward with plans for this summer. The Youth Solutions Team is working to put together a virtual package for youth, given our current unknowns and the reality that finding work sites and doing outreach will be challenging. We are continuing to gather interest from employers and planning outreach for experience programs before the end of summer.

d. **Virtual Hiring Event**
Angie Barksdale reported that WMW hosted a “virtual” job fair on April 21st and 23rd. Employers registered to participate in a morning or afternoon session on each day the job fair was held. Each session included a series of pre-scheduled 15-minute time slots in which the employer and potential candidate had an opportunity to connect and discuss job openings.

e. **Weekly Hot Jobs Blast Newsletter**
Angie Barksdale reported that in order to highlight a broad range of jobs for employers that have hiring needs now and to accommodate the influx of employees who are temporarily laid off, we have expanded the criteria and format of jobs posted in the weekly Hot Jobs Blast Newsletter. In addition, we have added this job information to the WMW website. Changes include highlighting jobs with 10 or more openings and temporary positions.

f. **Rapid Response Services**
Angie Barksdale reported that the Business Solutions Representatives are reaching out to our employer customers to provide resources and information on layoff prevention and UIA assistance for employers needing to downsize. Rapid Response Services have been revised to provide assistance and information to job seekers electronically as well.

g. **Retention Solutions Network (RSN)**
Angie Barksdale reported that the Retention Solutions Network (RSN) suspended all onsite visits and off-site meetings through the end of the Governor’s Executive Order. During this time, RSN Success Coaches are providing services via phone and virtual appointments. Services being utilized during the shutdown include support services, budgeting assistance/financial literacy, customized referrals/resources to community partners, and UIA guidance to employees and members of their household who are displaced due to COVID-19. The RSN also continues to support outside networks (The SOURCE, MI ERN, and The Family Economic Support Office/United Way Barry) with Community Ventures (CV) support service funding to eliminate barriers to employment and household wellness.
h. **West Michigan Works! In the Media**
Angie Barksdale stated that the marketing and communications department has been hard at work keeping the public informed of our services and programming. Below are highlights of recent media promotion of West Michigan Works! Services. Angie reviewed the media outlets that have promoted the services of WMW.

11. **Other Business**  

a. **Legislative Day-canceled**  
Jacob Maas reported that the Michigan Works! Agencies Legislative Day for 2020 has been canceled but may be held virtually later this spring. Additional information will be forthcoming.

b. **MiCareerQuest 2020-canceled**  
Jacob Maas reported that MiCareerQuest 2020 has been canceled and that planning for 2021’s event is underway. Jacob stated that most current funders have agreed to allow WMW to hold onto funding for the 2021 event. Jacob further stated that the steering committee is having discussions on an alternative virtual career opportunity for 2020. Additional information will be forthcoming.

c. **Barry (Hastings) Service Center**  
Jacob Maas reported that WMW has outgrown its space at the current Barry County Service Center. WMW will be moving into a larger space next door to the current space later this summer.

d. **Add-on: Compensation Study**  
Jacob Maas reported that ACSET will begin a compensation study, which the Governing Board previously had recommended following regionalization. Jacob stated that at the time of regionalization, wages and positions were compared, but the comparison was not comprehensive. Jacob stated that a Request for Proposals (RFP) will be forthcoming in order to do a complete study. Jacob stated that the study will be done pursuant to the collective bargaining discussions that were held a few years ago with the SEIU 517M Union. The union contract ends this fall, and additional information will be forthcoming.

12. **Public Comment – None**

13. **Adjournment at 9:29 a.m. by Chairperson Mahoney**

   **Motion – Com. Garcia**  
   **Second – Com. Bergman**  
   **Item Approved by Vote – Motion Carried**

MEMORANDUM

TO: ACSET Governing Board
FROM: Brenda Isenhart, WMW Chief Financial Officer
DATE: June 15, 2020
RE: May 2020 Board Financials

Revenue
Revenues for the eleven months ending May 31, 2020 total $23,144,053 which is 5.23% under budgeted revenue and $4,349,577 under prior year revenue.

Expenditures
Operating expenses are over the proposed budget by .33%. Wages and Fringes are over budget by $231,100 and $33,070, respectively. Increased staffing costs are due to an increase in filled positions and a decrease in staff using vacation and sick leave during the Governor’s Stay Home order. The proposed budget modification increases the salaries and fringes budget. The proposed budget also increases Space and Communication expenses. Additional rent is being paid for the future Barry Service Center location as well as space in Ionia for our Youth program.

Subcontractors expenses are under budget by $202,175 and $98,208 under prior year. WIOA youth contractors are under expended - KISD $106K and Steepletown $48K. The Stay Home order has contributed to this under spending.

Direct Client Expenses is $379K under budget and $697K over the previous year. Direct client expenses have decreased dramatically since the end of March. Training expenses are $745K under budget and $5.4 Million below the previous year. The decrease from the previous year is primarily from the Going Pro Talent fund and is a combined result of the change in accrual timing reflected in last year’s expense and the elimination of the program year 2020 funding that would have begun December 2019.

Administration Expenses represent 11.52% of Operating Expenses and 7.71% of Total Expenses. ACSET continues to operate within the limits of the administration funding allowed.

MEMORANDUM

TO: ACSET Governing Board
FROM: Brenda Isenhart, WMW Chief Financial Officer
DATE: June 15, 2020
RE: Proposed FYE 2020 Budget Modification

The budget for the fiscal year ending June 30, 2020 has been modified for your consideration.

Requested Modification
The requested change decreases the budget for Revenue and Expenditures by $935,000.

Changes in Planned Expenditures
Additional budget is requested for wages ($365k). ACESET employees have been working at home since the Governor’s stay home order. During this time, staff have used significantly less sick and vacation leave than what would normally be used. ACSET expenses sick and vacation leave as it is earned by our employees. This earned leave is then credited when staff use the leave. Since staff have been earning leave time but not using their leave time, our salaries expense has increased by approximately $130K during the months of April - June. In addition based on historical information, our budget assumes that no less than five staffing positions will be vacant at all times due to normal staff turnover. Since the stay at home order, there have been no staff leave ACSET’s employment and an additional nine employees have been hired since February. During March through June, the elimination of vacant positions has added an additional $180K wages. Fringe is increased as a result of increased wages ($80K)

A reduction in transportation budget ($60K) is needed as a result of reduced travel by staff during the stay home order. During this three month period reductions of $22K for mileage reimbursement and $15K for canceled conference travel is anticipated.

An increase of $30K for Space and Communication is needed. Rent and security deposit will be paid for the new Barry service center during the renovation period (April – June) $16,500 while still paying rent at our existing Barry location.

Additional space for our youth program is being rented in Ionia $2,100 including deposit (January – June).
Anticipated reduction in Outside Services ($65k), Equipment purchases ($50k), and Other Expenses ($30K).

An $800K reduction in our training budget is requested. This reduction is based on a combination of reduced current need as a result of the Stay Home order and a lack of need by participants in certain programs:

- Trade: $290,000
- WIOA Adult and Dislocated Worker: $212,000
- Economic Transition DW: $140,000
- FAET Plus: $90,000
- Michigan Industry Cluster Approach: $80,000
- WIOA Integrated Education & Training: $25,000

A $405K reduction in our Direct Services budget is requested. This reduction is also based on a combination of reduced current need as a result of the Stay Home order and a lack of need by participants in certain programs:

- PATH: $190,000
- Michigan Apprenticeship Industry Cluster: $72,000
- WIOA Adult and Dislocated Worker: $50,000
- Community Ventures: $30,000
- Trade: $26,000
- WIOA Youth: $18,000
- FAET: $15,000
- WIOA Integrated Education & Training: $5,000

Requested Action

We ask that the proposed budget be considered for approval.

_Pursuant to Article I, Section 9 of Area Community Services Employment & Training (ACSET) Amended Bylaws dated October 1, 2015, a seventy-five percent (75%) affirmative vote of the members present is required for the budgets and amendment_

MEMORANDUM

TO: ACSET Governing Board
FROM: West Michigan Works! Staff
DATE: June 15, 2020
RE: Bylaws of the West Michigan Works! Workforce Development Board

Background

The State of Michigan notified West Michigan Works! staff members in 2019 that updates were needed to the current WDB bylaws. The requested updates are as follows:

1. The bylaws must address the proxy and alternate designee process that will be used when a WDB member is unable to attend a meeting and assigns a designee as part of the requirements of §679.110(d)(4). Article VI, Section 3, page 11.

2. The bylaws must address the use of technology, such as phone and Web-based meetings that will be used to promote WDB member participation. Article VI, Section 7, page 13.

3. The bylaws must address the process to ensure WDB members actively participate in convening the workforce development system’s stakeholders, brokering relationships with a diverse range of employers, and leveraging support for workforce development activities. Article II, Section 1, page 1.

Due to a lack of supermajority quorum at the April 2020, February 2020, and October 2019 Governing Board Meetings, the request to approve the WDB Bylaws was tabled.

In addition, Commissioner Geiger made a recommendation to broaden funding language in Article II, Section 2. T, page 4, from “Participate in the administration of other federal, state or privately-funded employment and/or training programs in the West Michigan Works! area, to the extent provided by law” to ”“Participate in the administration of funding for employment and/or training programs in the West Michigan Works! area, to the extent provided by law.” WMW staff have prepared draft changes to the current WDB bylaws.

Action

The WDB has approved all proposed changes. WMW staff are now requesting the Governing Board’s approval of the changes.

Pursuant to Article I, Section 9 of Area Community Services Employment & Training (ACSET) Amended Bylaws dated October 1, 2015, a seventy-five percent (75%) affirmative vote of the members appointed and serving are required for Workforce Development Board Bylaws.
Bylaws of the
West Michigan Works Workforce Development Board

ARTICLE I: IDENTITY

These Bylaws are established on the ninth day of December 2015, for the West Michigan Works Workforce Development Board (hereinafter referred to as WDB). WDB is recognized in accordance with the Workforce Innovation and Opportunity Act (WIOA) P. L. 113-128, by the Governor of the State of Michigan, the Interlocal Agreement of Area Community Services Employment and Training Council (ACSET), and the Agreement between the WDB and the Governing Board of ACSET. The WDB collaborates with ACSET, in accordance with the provisions thereof, and with any other entities or institutions provided by law.

ARTICLE II: ROLE AND FUNCTIONS

Section 1: Role. The WDB in collaboration with the Governing Board of the Area Community Services Employment and Training Council (ACSET) shall establish programs under WIOA and other similar Federal and State laws to train unemployed and economically disadvantaged individuals for entry into unsubsidized employment in in-demand occupations, particularly those in the private sector, and in collaboration with ACSET or other entities provided by law serve as conveners and catalysts of the many stakeholders within its service area to identify and resolve workforce development issues and opportunities. The WDB shall create and maintain comprehensive workforce investment plans for its service area, and engage diverse constituents in the process. The WDB shall promote or participate in programs which expand employment opportunities in the private sector. The WDB will accomplish these goals through the implementation of its Strategic Plan for a Demand-driven Workforce System. The WDB will work in collaboration with ACSET by participating with the Governing Board or other entities provided by law in the "Agreement Between The Workforce Development Board and the Governing Board of ACSET".

Section 2: Functions. A. The Chairperson, and
B. The Vice-Chairperson.

For the initial election of the officers in 2015, the Ad-hoc Steering Committee will seek nominations for Chairperson and Vice-Chairperson from the WDB at the first regular meeting. Following the close of the time period for making nominations, the Ad-hoc Steering Committee will prepare any necessary recommendations and present nominations to the WDB at the second regular meeting in December 2015. At that meeting, the Chairperson and Vice-Chairperson will be elected by the WDB. For subsequent elections, nominations for these offices will be sought by the Executive Committee prior to the meeting at which the elections shall take place. The Executive Committee will present such nominations to the WDB at the meeting at which officers are to be elected. If the Executive Committee has established a Nominations Committee, the Nominations Committee shall solicit nominations for these positions from the membership of the WDB and present the nominations to the Executive Committee. No officer may serve more than two consecutive terms in that position.

Section 3: Duties. The Chairperson shall preside at all WDB Council meetings, report to the Governing Board on WDB activities, and appoint members to committees. The Chairperson shall have the right to vote on matters as a member of the WDB. In the absence of the

To establish a quorum, a majority of the membership must participate in any decision made by the Executive Committee. The Executive Committee will perform two functions: to meet when urgent action is required by the WDB but circumstances do not permit a special meeting to be called; and to provide coordination and broad guidance to the work of the WDB,

A. When circumstances require an emergency meeting, the Executive Committee is authorized to meet at such times as may be determined by the WDB chairperson and act on behalf of the WDB. All actions taken by the Executive Committee shall be reported to the WDB in writing and this communication shall be mailed to the members within two working days following the action of the Executive Committee.

The Executive Committee may appoint a Nomination Committee to receive nominations for membership on the WDB received from the Chief Executive Officer, which Nomination Committee would make its recommendations for membership on the WDB to the Executive Committee. Any such Nomination Committee shall consider the principle of geographic representation described in Section 1 of Article III when making such recommendations.

6. Develop meaningful system-wide metrics and monitoring indicators of progress toward demand-driven system goals and the results of employer-driven training programs.
Section 5: Ad-hoc Proposal Review Committee. Any such committee must be chaired by a member of the Local Board, may include other members of the Local Board, and may include other individuals appointed by the Local Board who are not members of the Local Board and who have demonstrated experience and expertise in accordance with WIOA regulations and as determined by the WDB.

The Chairperson of WDB, as he/she deems it appropriate, may designate a special committee(s) to carry out a specific assignment. The Chairperson of any such special committee shall be a member of the Executive Committee, or their designee, during the term of the special committee’s existence. Special committee(s) shall be given a specific charge and shall be discharged when their task is completed.

ARTICLE V: STAFF AND ADMINISTRATION

Section 1: Staff. Staff support for the work of WDB will be provided by the Chief Executive Officer of ACSET at a level commensurate with the responsibilities of WDB, and in accordance with the provisions of the ACSET Interlocal Agreement, and the WDB and ACSET Governing Board agreement. Staff support will be determined through mutual agreement between WDB and ACSET.

Section 3: Administration and Fiscal. The ACSET Administrative Unit will act as the administrative and fiscal unit for all activities of WDB. The WDB will neither receive nor disburse funds.

At the discretion of the Chairperson, or upon the written request of five or more members of the WDB, a special meeting of WDB may be called, provided that written notice is mailed to each member at least seven calendar days prior to the day on which the special meeting shall be held. This written notice must state the time, place and purpose of the meeting, and the business of the special meeting must be confined to the items described in the notice.

Section 3: Quorum and Voting. A quorum shall exist when a majority of the current members of WDB are present. A motion shall be passed or defeated by a majority of those members voting at a meeting where a quorum has been established. Each member shall be entitled to one vote. No proxies or substitutes shall be permitted.

Section 4: Conflict of Interest.

A. No member of the WDB may have an ownership interest in or be employed by any organization which receives funds under direct control of the WDB, or engage in any other activity that creates a conflict of interest or what would appear to a reasonable person to be a conflict of interest. However, this rule does not apply to a member who has an interest in or is employed by an entity that receives money under the partial or complete control of the WDB but

- Does not hold a policy-making position with the entity; and
- Would not receive other than a remote or incidental benefit from the board’s decisions.

This exception applies to members who are associated with:

1. Educational institutions which enroll students whose tuition is paid with such funds;
2. Employers who accept compensation for the extraordinary costs of providing employer-based training from funds under the control of the WDB;
3. An organization which receives funds under the direct control of the WDB, if the member is not employed by, has no ownership interest in, and receives no compensation or income from the organization;
4. Government agencies required to be represented on the WDB;
5. Other persons or organizations authorized by statutes, rules or exemptions established by the State of Michigan.

B. No person may be a member of the WDB who: 

An annual schedule of meetings must be submitted to the WDA and posted on ACSET’s website by January 15 of each year.
a. Is an employee of an agency that is contracted by the WDB to provide coordination services or administrative functions; or

The member must also refrain from influencing the votes of other WDB members on matters involving the member or entities which the member represents or that would provide direct financial benefit to the member or a member of his or her immediate family. “Immediate Family” is defined as spouse, child, parent, brother, brother-in-law, stepbrother, sister, sister-in-law, stepsister, son-in-law, daughter-in-law, mother-in-law, father-in-law, aunt, uncle, niece, nephew, grandparent, stepparent, stepchild and grandchild or any member of the household of the WDB member. However, all members of the WDB may vote upon the WIOA local Four-Year Comprehensive Plan.

D. WDB members and WDB Committee members associated with agencies which are service providers to ACSET or which will be responding to Request For Proposals released by ACSET are not to be appointed to any WDB committee which can directly affect funding of the service provider or potential service provider. This rule is not applicable to employers involved in ACSET’s Employer - Based Training Program.

E. Representatives of a government agency who are required by federal law to serve on the WDB, such as the Michigan Rehabilitation Services, which receive funds under the control of the WDB, may serve on the WDB without first obtaining a waiver from the WDA.

F. No WDB member will solicit or accept gratuities, favors, or anything of monetary value, except for unsolicited goods or services of nominal intrinsic value, from contractors, service providers, potential contractors, or service providers. Any good or service with a fair market value of $25.00 or less shall be presumed to be of only nominal intrinsic value.

G. The WDB must file reports as required with the WDA describing the extent to which organizations with which members are affiliated received funds controlled by the WDB.

H. If any agency or organization represented on the WDB submits a proposal to ACSET for the delivery of program services funded with monies under partial or complete control of the WDB, any member of the board who represents that agency or organization, must assume inactive status, unless the member would be allowed to sit on the board by subsection A even if the proposal were accepted by WDB and ACSET. A member’s designation as inactive shall be recorded in the minutes. A member in inactive status may not vote or participate in meetings of the WDB, nor may he or she receive any information from the WDB until the expiration of the deadline for the submission of proposals, except as provided by law. Members in inactive status are not prohibited from attending meetings of the WDB as members of the general public. If the agency or organization represented by the inactive member is not awarded a contract by
ACSET, he or she is restored to active status; but if the agency or organization is awarded the contract, the member must resign immediately.

I. If it is established at a meeting of the WDB that a member knowingly violated this section, the Chief Executive Officer of ACSET will report that finding to the ACSET Governing Board at its next meeting and ACSET will terminate any contract or contracts which are the subject of the violation. The Chief Executive Officer of ACSET will also request that the Governing Board remove the offending member from the WDB. Notice of the alleged violation will be provided in the written agenda for the WDB meeting.

Section 5: Conduct of Meetings. The current edition of Robert's Rules of Order Newly Revised will be the official document governing the conduct of meetings of WDB, and all its committees except as it may conflict with these bylaws, special rules of order WDB may adopt, WIOA, and applicable federal or state statutes or regulations.

Section 6: Compliance with Open Meetings Act. The WDB and the Executive Committee will abide by the provisions of the State of Michigan's "Open Meetings Act." A notice of the date, time and place of meetings will be posted in advance.

Participation in meetings of WDB or its committees shall be limited to members except in the following cases:

1. Non-members specifically invited to give information to WDB;
2. Non-members who desire to address WDB and who are recognized for that purpose by the Chairperson at appropriate points during the meeting; and
3. Members of Committees who are not members of the WDB may participate in committee meetings.

Section 7: Participation Options. The WDB will make every effort and will pay particular attention to participation options made possible by advancements in electronics and telecommunications. The use of electronic means of communication will be made available for members to attend meetings and vote on matters that come before the WDB. WDB member’s participation in meetings by teleconferencing shall be consistent with the Open Meetings Act (1976 PA 267, as amended, MCL 15.261, et seq.). Upon approval of the Chairperson, Board members may appear at a meeting via teleconferencing device, including speaker phone or interactive television, provided that a quorum is present at the meeting site and all individuals attending the meeting can hear, and be heard by, the Board member(s) attending via teleconferencing device. The Board member wishing to participate in meetings by teleconferencing must notify the Board Chairperson or the Agency CEO by 12:00 noon on the business day prior to the meeting that will be missed so the teleconferencing can be arranged. Failure to establish a video/audio teleconference due to technical or other problems shall not preclude conducting the meeting, as long as a quorum is present. In the event that a Board member participates via teleconferencing, this will be indicated on the meeting minutes as “Present via teleconferencing.” Members present via teleconferencing shall be permitted to participate in Board deliberations and vote on matters before the Board, if there is a quorum physically present. However, where the WDB needs flexibility to meet its obligation to provide services in the WMW Service Delivery Area, WDB members present at a meeting via electronic communication may be allowed to count toward a quorum if the WDB Chairperson approves.
Section 7: Minutes. Minutes of all meetings of the WDB and the Executive Committee shall be duly recorded and made available to all interested parties, as required by law. Members of the WDB and the Executive Committee shall review, amend as necessary, and approve the Minutes by formal action at their next meeting. Copies of minutes of meetings of the WDB, Executive Committee, and their committees or subcommittees shall be posted on ACSET’s Internet website within five (5) business days of their approval. Such minutes shall remain posted on the website for at least two (2) years.

ARTICLE VII: AMENDMENT OF BYLAWS

Section 1: Amendments. The WDB shall have the authority to amend or repeal these Bylaws at any meeting by the affirmative vote of two-thirds of the members present; provided that a copy of any proposed amendment is mailed to each member at least seven (7) calendar days prior to the day of the meeting at which the changes are to be considered. The WDB may revise the proposed changes as they are debated at the meeting but may not alter any other section of the Bylaws not specified in the notice of meeting.

MEMORANDUM

TO: ACSET Governing Board

FROM: West Michigan Works! Staff

DATE: June 15, 2020

RE: Solutions Driven Updates

West Michigan Works! has made quick adjustments to serve our communities to the best of our abilities in these unprecedented times. The following is a brief update of what our departments have been doing to meet the changing needs of our region.

Unemployment Insurance (UI) Assistance:
We continue to have staff assigned to assist Unemployment Insurance resolving issues over the phone. From May 1 – June 5, we fielded nearly 15,000 calls in our centers, assisting with simple issues like password resets, and assisted 2,252 with more complex Unemployment Insurance problem resolution. With some changes to Unemployment that stopped payment for thousands of people across the State, our staff have received a new level of training to assist with Identification Verification issues so people can resume their benefits. In the second week of June alone, we answered over 6,000 calls, mostly related to this issue.

Virtual Talent Services:

Employment and Training Services: Staff continue to work on serving more individuals virtually with more services. In addition to online workshop options, we have worked out a process for virtual enrollments so we can continue to serve new individuals with career coaching and training assistance. We have a small pipeline of people ready to begin new trainings in high-demand careers.

PATH: Beginning July 1, we will begin receiving Partnership. Accountability. Training. Hope. (PATH) referrals from the Department of Health and Human Services (DHHS) again. While these individuals need to receive services from WMW! in order to receive cash assistance from DHHS, all services and activities will be done virtually, including an online orientation, barrier identification and removal, career coaching, and job search assistance. We expect approximately 400 referrals across our seven counties in July.

Assessment Testing: West Michigan Works! is now able to proctor the CASAS Assessment test remotely. Assessments are required to be completed for several services funded by WIOA. The entire process will be conducted virtually, from registration to proctoring the assessment test.
**Virtual Rapid Response Services:**
Rapid Response materials for individuals experiencing layoffs have been updated so information can be disseminated to employers and job seekers electronically.

Business Solutions Representatives continue to assist employers by providing resources and information on layoff prevention and UIA assistance for those needing to downsize. Virtual meetings and worker orientations, in collaboration with the state, are offered to any employer affected by layoffs.

During this time, we’ve also had an employer certify for Trade Adjustment Assistance (TAA) and developed a process for delivering a virtual TAA Worker Benefit Orientation and doing virtual registrations for the Trade program.

**Virtual Hiring Events:**
Business Solutions continues to see a demand for recruitment services. In order to best meet employers’ hiring needs during the governor’s “Stay Home, Stay Safe” directive, West Michigan Works! has developed several virtual hiring events. These include:

**Job Fairs:** A Virtual Job Fair was successfully hosted in April and May. Additional virtual job fairs will be held over the summer, with the next event scheduled for June 24th and 25th. Employers are scheduled for a series of pre-scheduled 15-minute time slots during which time the employer and candidate can discuss job openings.

**Employer of The Day:** By mid-June, employers will have the opportunity to register for a virtual recruitment service called “Employer of the Day.” This hiring event is offered daily will be marketed ahead of the event. Candidates will be pre-scheduled to speak with the employer on their selected day.

**Veteran Networking Job Club:** Traditionally, this monthly event was held at a West Michigan Works! Service Center in collaboration with community partners whose organizations offer employment services for Veterans. At these events, Veterans could connect with various resources, learn about workforce trends, and network with employers who were hiring. We have now developed an online version of the Veteran Network Job Club that will continue to be offered virtually the third Thursday of every month, beginning June 18th. Any Veteran interested in attending can register at www.VNJIC.org.

**Weekly Hot Jobs Blast Newsletter:**
In order to highlight a broad range of jobs for employers that have hiring needs now and to accommodate the influx of employees temporarily laid off, we have expanded the criteria and format of jobs posted in the weekly Hot Jobs Blast newsletter. In addition, we have added this job information to our website, so it is readily accessible to anyone visiting our page. Changes include highlighting jobs with 10 or more openings and temporary positions.
Retention Solutions Network (RSN):
The Retention Solutions Network (RSN) suspended all onsite visits and off-site meetings during the executive order. Throughout the stay at home order, RSN success coaches provided services to member employees via phone and virtual appointments. Services being utilized during the shutdown included the following: support services, budgeting assistance/financial literacy, customized referrals/resources to community partners and UIA guidance to employees and members of their household that are displaced due to COVID-19. Now that the executive order has been lifted, Success Coaches will resume onsite visits for member employers that are accepting outside visitors.
The network currently has four participating members. The networks first member to join, DeWys Manufacturing, has signed on for a second year of membership. The RSN is also in the process of onboarding its fifth employer, Haworth. Haworth has committed to an initial two-year membership contract. Their network membership starts on July 1st.
State funding to expand the development of the network has been extended through September 30, 2021.

Governor Whitmer Announces “Futures for Frontliners,” a G.I. Bill Program for Essential Workers

Program Will Provide Tuition-Free Postsecondary Education Opportunities for Essential Workers; Governor Announces Other Initiatives to Protect Workers and Their Families During the Ongoing COVID-19 Pandemic

LANSING, Mich. — Governor Gretchen Whitmer today announced a series of initiatives to help Michigan workers and their families during the ongoing COVID-19 pandemic, including the “Futures for Frontliners” program to provide a tuition-free pathway to college or a technical certificate to essential workers who don’t have a college degree. This includes workers like the ones staffing our hospitals and nursing homes, stocking the shelves at grocery stores, providing child care to critical infrastructure workers, manufacturing PPE, protecting public safety, picking up trash, or delivering supplies.

“The Futures for Frontliners program is our way of saying ‘thank you’ to those who have risked their lives on the front lines of this crisis. This program will ensure tuition-free college opportunities and give these dedicated Michiganders an opportunity to earn a technical certificate, associate degree or even a bachelor’s degree,” Governor Whitmer said. “I want to assure all of our workers we will never forget those of you who stepped up and sacrificed their own health during this crisis. You’re the reason we’re going to get through this.”

The “Futures for Frontliners” program is the first of its kind in the country, and was inspired by the federal government’s support of soldiers returning from World War II by providing educational opportunities. Frontline workers who take advantage of this program will help us reach Governor Whitmer’s goal to increase the number of working-age adults with a technical certificate or college degree from 45% to 60% by 2030. The Governor stated that she looks forward to working on enacting her proposal with the bipartisan legislative coalition that helped pass Reconnect last month, the program to offer adults over 25 without college degrees tuition-free access to community college.

Governor Whitmer also announced that she is expanding the state’s Workshare Program to allow employers to reduce employee hours to receive weekly unemployment insurance (UI) benefits as well as the additional
$600 Pandemic Unemployment Assistance (PUA) weekly benefit. Both benefits will be funded through federal dollars. Through July, the program can act as supplemental pay for critical infrastructure workers by allowing them to collect the extra $600 per week.

Governor Whitmer also called on leaders in Congress to support Sen. Gary Peters' Heroes Fund to provide hazard pay for frontline workers putting their lives on the line to ensure access to life-saving care, food, and other critical services during the pandemic. It is estimated that more than three million of these essential workers are currently on the job in Michigan. Supported by Sens. Stabenow and Peters, the Heroes Fund proposal would provide these workers with an additional $13 per hour, up to $25,000, with an additional potential recruitment incentive of up to $15,000 for essential medical workers.

“No Michigander should have to worry about how to feed their family or pay rent during a crisis. And no Michigander should be scared to go to work,” said Governor Whitmer. “From the beginning, my team and I have been working around the clock to solve those problems for working families. And I will continue to fight for our working people long after this crisis is over.”
“Relaunching America’s Workforce Act” Summary

Overview:

The “Relaunching America’s Workforce Act” (RAWA), introduced by Chairman Bobby Scott (D-VA3) of the House Education and Labor Committee, is intended to provide both immediate and long term supports to the U.S. workforce. The proposed funding structure in the legislation mirrors The American Recovery and Reinvestment Act, the stimulus bill passed in 2009 to address The Great Recession. Funding for the workforce system will be funneled through existing channels, to get resources to the local level as quickly as possible. RAWA aims to keep people on the job now, while also putting people back to work when necessary. RAWA focuses on maintaining core elements of WIOA and CTE by focusing on the most vulnerable populations and, while recognizing the definition of this will change due to the COVID-19 crisis, ensuring supports will be provided to those most effected. This Act increases flexibility so more funding can be used for training, supportive services, and career services.

Top Level Funding:

- $500 million for National Dislocated Worker Grants
- $2.5 billion for State Dislocated Worker Grants
- $2.5 billion for Youth Workforce Investment Activities
- $2.5 billion for Adult Education and Training Activities
- $1 billion for Wagner-Peyser/Employment Services
- $500 million for JobCorps
- $150 million for Native American Programs
- $150 million for Migrant and Seasonal Farmworkers
- $250 million for YouthBuild
- $350 million for Reentry Employment Opportunities
- $500 million for Registered Apprenticeships
- $1 billion for Adult Education and Literacy
- $2 billion for Community College and Industry Partnership Grants (TAACCTCT Grants)

Flexibilities and Legislative Takeaways:

- Provides eligibility flexibility and maintaining eligibility for use. This legislation expands on increased eligibility offered in the CARES Act, ensuring that all individuals in need of WIOA services are able to access them.
- Expands eligibility so anyone can access individualized career services
- This eligibility extends to all in the labor force, including the "gig" or independent contract worker.
- Expands the allowable amount of funds used on incumbent workers to 40%.
- Makes allowable 40% of funds for transitional jobs, including public sector jobs.
- Allows 75% of employee wages eligible to be reimbursed for on the job training.
- Allows for an additional 10% of allocated funds for governor's reserve to be used for COVID-19 response.
- Requires states to deliver a COVID-19 recovery plan within 60 days of funds being distributed.
- Requires that at least 50% of dislocated worker grants to be distributed in 60 days.
• Makes allowable 1/3 of adult education funds to be used on incumbent worker training and employer supports.
• Native American Grants expanded eligibility to individuals at up to 150% of poverty line.
• No funds for this act may be used for IRAPs or SREs.
Health and Economic Recovery Omnibus
Emergency Solutions (HEROES) Act Summary

This is the first COVID-19 response legislation to directly target WIOA formula programs and the workforce development system. HEROES proposes to appropriate $2.04 billion to the workforce development system. This legislation would relax eligibility requirements from WIOA to include all those described as a "covered individual" under the CARES Act. HEROES also proposes that priority of services in local one-stops be given to those directly impacted by COVID-19 economically, including those seeking employment, dislocated workers, individuals with barriers to employment, and individuals who are unemployed or underemployed. This money is proposed to be allocated as follows:

- **$485 million** for grants to States to be used for Adult Employment and Training Activities including:
  - Incumbent Worker Trainings
  - Transitional Jobs
  - On the Job Training
  - Individualized Career Services
  - Supportive Services
  - Needs-related Payments
  - Facilitating remote access to training services providing through the one-stop system using technology
  - To be available through 6/30/21

- **$518 million** for grants to States to be used for Youth Activities including:
  - Supportive Services
  - Summer Employment for Youth
  - Facilitating remote access to training services providing through the one-stop system using technology
  - To be available through 6/30/21

- **$597 million** for grants to States for Dislocated Worker Employment and Training Activities Including:
  - Incumbent Worker Training
  - Transitional Jobs
  - On the Job Training
  - Individualized Career Services
  - Supportive Services
  - Needs-related Payments
  - Facilitating remote access to training services providing through the one-stop system using technology
  - To be available through 6/30/21

- **$400 million** for the Dislocated Workers Assistance National Reserve
  - To be available through 9/30/23

- **$25 million** for Migrant and Seasonal Farmworker Programs

Additionally, there is a proposed **$500 million** to be appropriated to establish a contract tracing system in the United States (Sec. 30561, Pg. 515-554). This proposal names local workforce boards as a key eligible partner in preparing a contract tracing workforce. HEROES proposes that of the funds eligible to local boards that 10% be used for administrative costs and 60% must be used for recruitment and training for COVID-19
testing, contact tracing, surveillance, containment and mitigation. However, this legislation proposes that 30% of allocated funds be kept in reserve to support the transition of individuals hired as contact tracers and related positions into education or training program, or un-subsidized employment upon the completion of these positions.

*NAWB will continue to provide our members regular updates on this and any similar legislation. We have pulled the most significant aspects of this bill for workforce, we will continue to analyze the legislation in the coming days.*
