7. Virtual Dashboard and Solutions Driven Updates

a. Virtual Dashboard
Angie Barksdale, Chief Operating Officer, reported that the COVID-19 pandemic has impacted the way WMW serves and interacts with the community. Angie stated that although our service centers have been unable to deliver in-person services, WMW has continued to respond to the needs of employers and jobseekers with innovative and virtual solutions. Angie reviewed the new virtual dashboard with Governing Board members which included data from the months of March through December 2020. It covered the following data points: Customers Served, Training, Recruitment/Hiring, COVID-19 Related Services Provided, Retention Solutions Network Services, and Website Traffic. Discussion took place, and WMW staff answered board members’ questions.

b. Talent Survey
Angie Barksdale reported that the current economic recovery has continued to be a challenge in filling positions. WMW partnered with Center for Social Research at Calvin University to conduct a survey of talent to discover what is keeping people from work and what solutions may be beneficial to returning people to work. Results with more complete analysis and potential solutions are likely at the end of March.

c. Clean Slate Navigator
Angie Barksdale reported that WMW received funding from the State of Michigan to hire a “clean slate navigator,” who will be responsible for assisting individuals who qualify for conviction expungement with the complex process of expungement. Additionally, the funding will allow payment of legal fees associated with the expungement process. WMW is in the process of hiring the navigator and soliciting bids for attorneys on retainer across our region.

Grants/Funding Opportunities: Angie stated that as a result of the stresses placed on the workforce due to COVID-19, several grant and funding opportunities have been made available to our system.

d. Future of Work
Angie Barskdale reported that WMW will receive funding to pilot technology innovations that will help put COVID-impacted workers back to work. The Future of Work Grand Challenge was created through a collaboration between the social impact organizations New Profit, JFF, MIT Solve, Jobcase, and XPRIZE to identify and fund the most promising ideas and solutions to support a more equitable economic recovery and better meet the needs of low-income, middle-skilled and underserved workers at the local level. WMW has partnered with Michigan Works! Southwest and Michigan Works! Berrien, Cass, and Van Buren to serve all of southwest Michigan. The MWA Partners will pilot between 2-5 technology solutions and are expected to recruit between 100-350 individuals per solution. Solutions are currently being selected and will be announced by the end of February, which is when recruitment will begin.
e. **Grand Rapids Community College’s One Workforce Grant**
   Angie Barksdale reported that WMW is partnering with Grand Rapids Community College on a $9.8 million H1-B One Workforce Grant, which focuses on advanced manufacturing. This grant will rely on a network of partners across the region, including Montcalm Community College, Muskegon Community College and multiple community partners to provide training and employment to hundreds of workers across West Michigan.

f. **Michigan Rural Enhanced Access to Careers in Healthcare (MiREACH)**
   WMW has partnered with the Michigan Department of Labor and Economic Opportunity on a $2.5 million United States Department of Labor (USDOL) H1-B Rural Healthcare Grant. This program aims to increase the number of individuals training in healthcare occupations that directly impact patient care and alleviate healthcare workforce shortages by creating sustainable employment and training programs in healthcare occupations serving rural populations.

g. **Going PRO Talent Fund (GPTF)**
   This year, employers in the West Michigan Works! region have been awarded over $13 million in training funds. Statewide, $39 million was awarded to over 850 Michigan businesses. WMW received award notifications for 283 employers (with 4 pending), and applications are being funded in amounts ranging from $1,500 to $498,000. Angie reviewed the funding information provided in the board packet.

h. **State Apprenticeship Expansion (SAE)**
   WMW has submitted a $305,000 grant proposal to the State. If these funds are awarded, they will help cover employer costs for 116 new registered apprentices and increase diversity of Registered Apprenticeship Program (RAP) populations.

i. **Standards Recognition Entity (SRE)**
   The USDOL has certified WMW as a Service Recognition Entity (SRE). The USDOL issued a Final Rule that established a system for advancing the development of high-quality Industry Recognized Apprenticeship Program (IRAP). An IRAP can be developed by DOL-recognized, industry-leading third-party entities such as trade groups, corporations, non-profits, educational institutions, unions, and joint labor-management organizations. Standards Recognition Entities (SREs) will, in turn, evaluate and recognize IRAPs consistent with the USDOL’s Office of Apprenticeship Standards.

*Commissioner Tiejema experienced technical difficulties and left the meeting at 9:30 a.m.*

j. **Industry Talent Council Initiatives:**
   Beginning February 22, and running through April 9th, each Industry Talent Council will host a weeklong campaign aimed to promote the industry, recruit job seekers, and support & engage industry employers. Activities will include employer interviews aired on WZZM, live webinars, access to relevant workforce resources, and job fairs or networking events. Additional information provided in board packet.

k. **MiCareerQuest**
   This year’s event will be held virtually on April 21, 2021. Registration will be open to 7th-12th grade students and up to 13,000 attendees can be accommodated. The platform being used is vFairs. There will be incentives to students engaging in the event this year, along with speaking and chat features with employers. Registration is open, and additional information can be found at [www.micareerquest.org](http://www.micareerquest.org).
I. Retention Solutions Network (RSN)
Angie Barksdale reported that THK Rhythm Automotive joined the RSN Central in November 2020. Shape Corp and Pliant Plastics (RSN Lakeshore) initially signed one-year member agreements, and both employers have renewed their network membership for another year. Hackley Community Care has committed to a one-year membership beginning in March 2021. With this additional employer, the RSN Lakeshore will now have 5 participating employers. Angie further reported that in January 2021, RSN Central convened its first network member meeting with its two participating employer members. These meetings provide an opportunity for employers to connect, collaborate and share best practices. Both networks meet on a bi-monthly schedule and receive newsletters to keep them connected. WMW staff will continue to recruit additional employers to join until capacity is reached. Brief discussion took place, and staff answered board members’ questions.

RE: March 2021 Board Financials

Revenue

Revenues for the nine months ending March 31, 2021 total $16,677,719 which is 17.12% under budgeted revenue and $3.4M under prior year revenue.

Expenditures

Operating expenses are under the proposed budget by 1.32%.

- Wages are up $842K over prior year and under budget by $142K. We had 203 employees on the last March 2021 payroll, twelve more than the previous year. Additional staff, less vacation and sick being taken, and merit wage increase explain the increase in wages and fringe from the previous year.
- Consumable supplies is $16K over budget and $93k more than last year. The increase is a result of additional technology related fees, licenses (Barracuda multi-year), and improvements.
- Space and communication is $198K over prior year primarily from security costs incurred earlier in the year. The resulting over budget of $12k is from recent improvements in the Allegan center.

Subcontractors expenses for our youth subcontractors are under budget by $188K. Training expenses are $2.5M under budget but is expected to balance out more over the next couple months as the GPTF program continues to progress. Trainings are $3.5M below the previous year. $2.5M of the reduction from the previous year is a result of the Going Pro Talent Fund not being funded during program year 2020. Other programs experiencing significant decreases are: WIOA Adult and Dislocated programs $462K, Trade $220K, and PATH $78K.

Direct Client Expenses is $487K under budget and $777K under the previous year. This decrease from the previous year is primarily from the decrease in the PATH program as a result of decreased requests and decreased subsidized work ($565K).

MEMORANDUM

TO: ACSET Governing Board

FROM: Brenda Isenhart, Chief Financial Officer

DATE: April 19, 2021

RE: Proposed FYE 2022 Budget

The proposed budget for the fiscal year ending June 30, 2022 is presented for your consideration.

Requested Modification

The proposed 2021-2022 budget plans for $31,637,000 of total revenue. This represents a 10.6% increase over the proposed 2020-2021 budget. West Michigan Works! has not yet received any planning allocations for the 2021-2022 year. The proposed budget was prepared with the following assumptions: flat funding for the WIOA, Wagner Peyser, PATH and FAET programs, a decrease of $186K in Trade funding based on anticipated need, and an increase in the Going Pro Talent Fund (GPTF) awards of $4.7 million. The 2020-2021 budget included only one half year of GPTF funding given the state did not provide funding for program year 2020. Grants ending that are not expected to be renewed create a decrease of $2.9 million (America’s Promise, Healthy Michigan, Healthy Michigan Navigator, Unemployment Insurance, Economic Transition, MICA 2.0, Community Ventures, and Rise Up) and new/continuing grants create an increase of $1.2 million (One Workforce, Clean Slate, Rural Healthcare, SAE Grant, and Energy Consortium grant).

Expenditures

The budget for salaries is estimated to increase by $217k. This increase represents new positions being requested as well as merit increases for existing staff. Fringe budget is estimated to increase by $81k in relation to the increased salaries.

Consumable supplies, Outside Services, Space and Communication, Equipment Purchases and Other Expense have been decreased to reflect one-time purchases in 2020-2021 that will not be made during the 2021-2022 fiscal year and includes initial planned expenditures for 2021-2022.

Transportation has been increased in anticipation of more in person meetings and staff training/conferences.

Training costs represent a 51% increase. This increase is primarily due to the GPTF being funded for the entire fiscal year. Direct client cost reduction is partially due to...
grants ending that are not expected to be renewed during the 2021-2022 fiscal year as well as reductions in on-going programs based on anticipated availability of funds.

A budget modification will be presented to the board for approval once finalized allocations are received from our grantors.

**Requested Action**

We ask that the proposed budget be considered for approval.

_Pursuant to Article I, Section 9 of Area Community Services Employment & Training (ACSET) Amended Bylaws dated October 1, 2015, a seventy-five percent (75%) affirmative vote of the members present is required for the budgets and amendments._

MEMORANDUM

TO: ACSET Governing Board

FROM: Tawanna Wright, Staff Attorney

DATE: April 19, 2021

RE: Workforce Development Board Bylaws Amendments

Background:
The West Michigan Works! Workforce Development Board (WDB) Bylaws were revised and approved in June 2020. However, after June 2020, revisions were made to the Michigan Open Meetings Act (OMA) and to the State’s Policy Issuance (PI) 20-12 regarding Conflict of Interest and Nepotism. Due to the changes in the OMA and the State PI 20-12, the WDB Bylaws must now be revised again.

Additions:
Proposed changes to the attached WDB Bylaws now include:

1. Article VI, Section 3 “Quorum and Voting” (page 11) – The word “present” is now being defined for quorum purposes.
2. Article VI, Section 4 “Conflict of Interest” (page 11) – All but one of the Conflict-of-Interest provisions have been deleted and will now be contained in the revised ACSET Conflict of Interest and Nepotism Policy.
3. Article VI, Section 7 “Virtual Meeting Attendance” (page 13) – The Virtual Attendance section has been revised in the bylaws and more detailed provisions will now be contained in a separate “Virtual Meeting Policy.”
4. During the April 12th WDB Meeting the WDB members voted to revise Article VI, Section 4 (Page 11), as follows: “If it is established at a meeting of the WDB that a member knowingly violated this Policy, the Chief Executive Officer of ACSET will report that finding to the ACSET Governing Board at its next meeting and ACSET may terminate any contract or contracts which are the subject of the violation. The Chief Executive Officer of ACSET will also request that the Governing Board remove the offending member from the WDB.”

Action:
At its April 12th meeting, the WMW Workforce Development Board approved the attached WDB Bylaws. WMW staff is now requesting that the GB approve the WDB Bylaws.

Pursuant to Article I, Section 9 of the Area Community Services Employment & Training (ACSET) Amended Bylaws dated October 1, 2015, a seventy-five percent (75%) affirmative vote of the members appointed and serving is required to amend the WBD Bylaws, which means 11 out of the 14 GB members must vote “Yes.”
Bylaws of the  
West Michigan Works! Workforce Development Board  

ARTICLE I: IDENTITY  

These Bylaws were originally established and effective on December 9, 2015, amended on June 22, 2020, and are again amended , 2021 and are amended as of this 22nd day of June 2020, for the West Michigan Works! E. Any member of the WDB who represents an organization or entity must have optimum
policymaking authority, which means that the member may reasonably be expected to speak
affirmatively on behalf of the organization or entity and have authority to commit the entity to
a chosen course of action.

F. Nomination/Appointment Process:

1. Members will be appointed to a two-year term of office with the members
   being appointed to fixed and staggered terms. In the first year following the
effective date of these bylaws, approximately one-half of the membership of
the WDB shall have a term of three years, but all members shall have a two-
year term of office thereafter. Those members whose term shall be three years
shall be determined by lot.

2. The Chief Executive Officer of ACSET, or his or her designee, shall solicit
   nominations for membership on the WDB from the associations, federations,
   providers and institutions indicated in this section whenever the WDB needs
to fill vacancies in the following sectors: (a) Business Sector; (b) Labor; (c)

   nominations for membership to the Chief Executive Officer, or his or her
designee.

4. The Chief Executive Officer, or his or her designee, shall submit nominations
   received for membership of the WDB to the Executive Committee, which shall
review the nominations and submit its recommendations to the ACSET
Governing Board. If the Executive Committee has appointed a Nomination
Committee to review such nominations, the Nomination Committee shall first
review the nominations and submit its recommendations to the Executive
Committee. When making its recommendations to the ACSET Governing
Board for membership of the WDB, the Executive Committee shall indicate which candidates, if any, have been nominated by the CEAC, or any successor organization.

5. The WDB shall exercise and embrace the principle of equal opportunity on the basis of race, color, religion, sex, age, national origin, disability, and political affiliation or belief in its membership, appointment to committees, and approval of programs.

Section 3: Business Sector Representation.

A. A majority of the members of WDB shall consist of persons who are owners, chief executives, chief operating officers, or other business executives, of private for-profit employers and major nongovernmental employers in the West Michigan Works! Agency area who

2. Represent businesses, including small businesses, or organizations representing businesses, that provide employment opportunities in in-demand industry sectors or occupations, as defined by WIOA;

3. Provide high-quality, work-relevant training and development opportunities to its workforce, or the workforce of others (in the case of organizations representing businesses); and

4. Are appointed from individuals nominated as provided by Section 2.

C. Businesses that have been certified as Disadvantaged Business Enterprises, as defined by the Small Business Administration, shall, to the extent possible, be represented on the WDB consistent with their representation in the business community, and the WDB shall strive to ensure that its private sector members reasonably represent, to the extent possible, the industrial/demographic composition of the business community of the West Michigan Works! Agency area.

D. Private not-for-profit entities and public entities that operate as businesses and are employers may be represented on the WDB in the business sector if they align with the key industry sectors in the West Michigan Works! area, such as a nonprofit hospital or prison, if identified in the West Michigan Works! local plan. Representatives of proprietary schools may not be representatives of the business sector.
E. ACSET must document how members of the WDB who represent the business sector qualify as representatives of businesses that provide employment opportunities in in-demand industry sectors or occupations and retain such documentation on file.

Section 4: Other Members. In addition to business sector membership, WDB shall include at least one member from each of the following groups, unless indicated otherwise:

A. Organized labor (2);
B. Representative of joint labor-management, or union affiliated, registered apprenticeship program who must be a training director or a member of a labor organization;
C. Providers of Adult Education and Literacy activities under Title II of WIOA;

This representative may be a representative of an Economic Development Organization, a local planning or zoning commission or board, a community development agency, or another local agency or institution responsible for regulating, promoting, or assisting in local economic development.

Section 6: Community-Based/Youth Organizations.

A. The WDB may also include one or more representatives of private nonprofit organizations, including faith-based organizations, that have demonstrated experience and expertise, as defined in WIOA regulations, in addressing the employment, training, or educational needs of individuals with barriers to employment, including organizations that serve veterans or that provide or support competitive integrated employment for individuals with disabilities.

B. The WDB may also include one or more representatives of organizations that have demonstrated experience and expertise, as defined by WIOA regulations, in addressing the employment, training, or education needs of eligible youth, including representatives of organizations that serve out-of-school youth.

Section 7: Labor and Community-Based Organizations. The representation from Labor (Section 4 A and B) shall constitute at least 20 percent of the total WDB membership. However, any representatives of community-based or youth organizations on the WDB shall count toward meeting the 20 percent requirement for Labor representation.

Section 8: Dual Representation. An individual WDB member may represent more than one group or sector, provided that the member meets all the qualifications for each sector that he or she represents, including the nomination process.

Section 9: Representation of Sector. Members must be employed in the sector that they represent, except that:

a. An educational representative can be a member of a school board and not
an employee of a school district.

b. An organized labor representative may be a member of a labor organization or steward without being employed by a labor organization.

Section 10: Chambers of Commerce. Individuals representing local Chambers of Commerce may be appointed to the WDB as a representative of a community-based organization or, if the Chamber functions as the local economic development agency, as an Economic Development representative.

Section 11: Loss of Membership. A member will forfeit membership on WDB should that member no longer represent the sector or group from which he/she was originally selected. A resignation is not effective until it has been accepted by the ACSET Governing Board or a successor appointed. A vacancy on the WDB must be filled within 120 days from the time it was created. Persons missing two regularly scheduled consecutive meetings will be sent written notice from the Chair inquiring as to their interest in continued membership on WDB. Persons missing three regularly scheduled consecutive meetings, except persons who have attended two regularly scheduled meetings of a standing committee during the months in which they missed the three WDB meetings, will be removed from WDB by the Executive Committee at a regularly scheduled meeting. The Executive Committee will send written notice to a member of the time and place of the meeting at which his or her removal from membership on the WDB is proposed to be considered. Exceptions may be made by the Executive Committee based on information provided by the member.

ARTICLE IV: ORGANIZATION

Section 1: Officers. There shall be two Officers of WDB. These are:

A. The Chairperson, and
B. The Vice-Chairperson.

Section 2: Selection. The Chairperson and the Vice-Chairperson shall be elected by the WDB to a two-year term of office. Nominations for these offices will be sought by the Executive Committee prior to the meeting at which the elections shall take place. The Executive Committee will present such nominations to the WDB at the meeting at which officers are to be elected. If the Executive Committee has established a Nominations Committee, the Nominations Committee shall solicit nominations for these positions from the membership of the WDB and present the nominations to the Executive Committee. The Chairperson and Vice-Chairperson, by law, shall always be chosen from among members representing the business sector, and no local elected official may serve as chairperson or vice-chairperson. No officer may serve more than two consecutive terms in that position.

Section 3: Duties. The Chairperson shall preside at all WDB Council meetings, report to the Governing Board on WDB activities, and appoint members to committees. The Chairperson shall have the right to vote on matters as a member of the WDB. In the absence of the Chairperson, the Vice-Chairperson will perform these duties.
Section 4: Executive Committee. There shall be an Executive Committee composed of the WDB Chairperson and Vice-Chairperson, the Chairperson or his or her designee of all committees described herein (except ad hoc committees), together with any additional members of the WDB appointed by the Executive Committee; provided that the total membership of the Executive Committee shall not exceed eleven (11). To establish a quorum, a majority of the membership must participate in any decision made by the Executive Committee. The Executive Committee will perform two functions: to meet when urgent action is required by the WDB but circumstances do not permit a special meeting to be called; and to provide coordination and broad guidance to the work of the WDB,

A. When circumstances require an emergency meeting, the Executive Committee is authorized to meet at such times as may be determined by the WDB chairperson and act on behalf of the WDB. All actions taken by the Executive Committee shall be reported to the WDB in writing and this communication shall be mailed to the members within two working days following the action of the Executive Committee.

B. The Executive Committee will provide coordination and broad guidance to the WDB in the following areas:

1. Recommend Bylaws for the WDB including procedures for selecting a chairperson and other officers, as well as determinations of the size of the WDB.

2. Make recommendations for the standardization of procedures for initiating, evaluating and monitoring programs, and for orientation and in-service training of the WDB.

3. Recommend the use of sub-committees and/or technical advisory committees.

4. Initiate long-range planning for WIOA or any other federally funded programs in the West Michigan Works! Area.

5. Review the nominations for membership on the WDB received from the Chief Executive Officer and submit its recommendations for membership on the WDB, from among those candidates properly nominated, to the ACSET Governing Board, pursuant to Section 2.F. of Article III. The Executive Committee may appoint a Nomination Committee to receive nominations for membership on the WDB received from the Chief Executive Officer, which Nomination Committee would make its recommendations for membership on the WDB to the Executive Committee. Any such Nomination Committee shall consider the principle of geographic representation described in Section 1 of Article III when making such recommendations.

6. Develop meaningful system-wide metrics and monitoring indicators of progress toward demand-driven system goals and the results of employer-driven training programs.
Section 5: Ad-hoc Proposal Review Committee. Whenever ACSET receives proposals from potential service providers for programs administered by ACSET which are within the responsibility of the WDB, the Chairperson shall appoint an ad hoc proposal review committee for the purpose of reviewing and evaluating such proposals and making funding recommendations to the WDB.

A Proposal Review Committee shall consist of WDB members and ACSET staff and shall be discharged when the WDB has chosen a proposal from among those which the committee has reviewed and evaluated.

Section 6: Committees. The WDB may appoint standing committees to assist the WDB in dealing with its responsibilities. Any such committee must be chaired by a member of the Local Board, may include other members of the Local Board, and may include other individuals appointed by the Local Board who are not members of the Local Board and who have demonstrated experience and expertise in accordance with WIOA regulations and as determined by the WDB.

The Chairperson of WDB, as he/she deems it appropriate, may designate a special committee(s) to carry out a specific assignment. The Chairperson of any such special committee shall be a member of the Executive Committee, or their designee, during the term of the special committee’s existence. Special committee(s) shall be given a specific charge and shall be discharged when their task is completed.

ARTICLE V: STAFF AND ADMINISTRATION

Section 1: Staff. Staff support for the work of WDB will be provided by the Chief Executive Officer of ACSET at a level commensurate with the responsibilities of WDB, and in accordance with the provisions of the ACSET Interlocal Agreement, and the WDB and ACSET Governing Board agreement. Staff support will be determined through mutual agreement between WDB and ACSET.

Section 2: Staff Coordination. The WDB will communicate with staff members who have been designated by the Chief Executive Officer of ACSET to coordinate WDB activities with those of the other elements of ACSET.

Section 3: Administration and Fiscal. The ACSET Administrative Unit will act as the administrative and fiscal unit for all activities of WDB. The WDB will neither receive nor disburse funds.

ARTICLE VI: MEETINGS

Section 1: Regular Meetings. At the first regular meeting after the annual appointment of new members by the Governing Board, the WDB shall set a day and time for the regular monthly meeting of WDB during the next 12 months. Meetings will be held at least once each quarter. An annual schedule of meetings must be submitted to the LEO-WDA and posted on ACSET’s website by January 15 of each year.
Section 2: Special Meetings. At the discretion of the Chairperson, or upon the written request of five or more members of the WDB, a special meeting of WDB may be called, provided that written notice is mailed to each member at least seven calendar days prior to the day on which the special meeting shall be held. This written notice must state the time, place and purpose of the meeting, and the business of the special meeting must be confined to the items described in the notice.

Section 3: Quorum and Voting. A quorum shall exist when a majority of the current members of the WDB are present. A member is “present” for purposes of a quorum when he or she is either physically present at an in-person meeting, or meeting or is virtually present via electronic means in compliance with the Open Meetings Act, (1976 P.A. 296 as amended, MCL 15.261 et seq.) applicable Michigan statutory or case law and the ACSET West Michigan Works! Virtual Meeting Policy. A motion shall be passed or defeated by a majority of those members voting at a meeting where a quorum has been established. Each member shall be entitled to one vote. No proxies or substitutes shall be permitted.

Section 4: Conflict of Interest. All WDB members and Committee members shall comply with the ACSET Conflict of Interest and Nepotism Guidelines Policy, which is applicable to all ACSET officers and agents. If it is established at a meeting of the WDB that a member knowingly violated this Policy, the Chief Executive Officer of ACSET will report that finding to the ACSET Governing Board at its next meeting and ACSET will terminate any contract or contracts which are the subject of the violation. The Chief Executive Officer of ACSET will also request that the Governing Board remove the offending member from the WDB. Notice of the alleged violation will be provided in the written agenda for the WDB meeting.

A. No member of the WDB may have an ownership interest in or be employed by any organization which receives funds under direct control of the WDB, or engage in any other activity that creates a conflict of interest or what would appear to a reasonable person to be a conflict of interest. However, this rule does not apply to a member who has an interest in or is employed by an entity that receives money under the partial or complete control of the WDB but

a. Does not hold a policy-making position with the entity; and

b. Would not receive other than a remote or incidental benefit from the board’s decisions.

This exception applies to members who are associated with:

1. Educational institutions which enroll students whose tuition is paid with such funds;

2. Employers who accept compensation for the extraordinary costs of providing employer-based training from funds under the control of the WDB;
3. An organization which receives funds under the direct control of the WDB, if the member is not employed by, has no ownership interest in, and receives no compensation or income from the organization; 

4. Government agencies required to be represented on the WDB; and 

5. Other persons or organizations authorized by statutes, rules or exemptions established by the State of Michigan.

B. No person may be a member of the WDB who is an employee of an agency that is contracted by the WDB to provide coordination services or administrative functions.

C. If an organization does receive funds under the partial or complete control of the WDB, a representative of the organization authorized to sit on the WDB by subsection A may not cast a vote or participate in any decision-making capacity on any matter regarding the provision of services by the member or by the entity that the member represents, or that would provide direct financial benefit to the member or a member of his or her immediate family. The member must also refrain from influencing the votes of other WDB members on matters involving the member or entities which the member represents or that would provide direct financial benefit to the member or a member of his or her immediate family. “Immediate Family” is defined as spouse, child, parent, brother, brother-in-law, stepbrother, sister, sister-in-law, stepsister, son-in-law, daughter-in-law, mother-in-law, father-in-law, aunt, uncle, niece, nephew, grandparent, stepparent, stepchild and grandchild or any member of the household of the WDB member. However, all members of the WDB may vote upon the WIOA local Four-Year Comprehensive Plan.

D. WDB members and WDB Committee members associated with agencies which are service providers to ACSET or which will be responding to Request For Proposals released by ACSET are not to be appointed to any WDB committee which can directly affect funding of the service provider or potential service provider. This rule is not applicable to employers involved in ACSET’s Employer-Based Training Program.

E. Representatives of a government agency who are required by federal law to serve on the WDB, such as the Michigan Rehabilitation Services, which receive funds under the control of the WDB, may serve on the WDB without first obtaining a waiver from the WDA.

F. No WDB member will solicit or accept gratuities, favors, or anything of monetary value, except for unsolicited goods or services of nominal intrinsic value, from contractors, service providers, potential contractors, or service providers. Any good or service with a fair market value of $25.00 or less shall be presumed to be of only nominal intrinsic value.

G. The WDB must file reports as required with the WDA describing the extent to which organizations with which members are affiliated received funds controlled by the WDB.
H. If any agency or organization represented on the WDB submits a proposal to ACSET for the delivery of program services funded with monies under partial or complete control of the WDB, any member of the board who represents that agency or organization, must assume inactive status, unless the member would be allowed to sit on the board by subsection A even if the proposal were accepted by WDB and ACSET. A member’s designation as inactive shall be recorded in the minutes. A member in inactive status may not vote or participate in meetings of the WDB, nor may he or she receive any information from the WDB until the expiration of the deadline for submission of proposals, except as provided by law. Members in inactive status are not prohibited from attending meetings of the WDB as members of the general public. If the agency or organization represented by the inactive member is not awarded a contract by ACSET, he or she is restored to active status; but if the agency or organization is awarded the contract, the member must resign immediately.

I. All WDB Member and Committee member shall comply with the ACSET Code of Conduct and Conflict of Interest Guidelines Policy, which is applicable to all ACSET officers and agents. If it is established at a meeting of the WDB that a member knowingly violated this section, the Chief Executive Officer of ACSET will report that finding to the ACSET Governing Board at its next meeting and ACSET will terminate any contract or contracts which are the subject of the violation. The Chief Executive Officer of ACSET will also request that the Governing Board remove the offending member from the WDB. Notice of the alleged violation will be provided in the written agenda for the WDB meeting.

Section 5: Conduct of Meetings. The current edition of Robert's Rules of Order Newly Revised will be the official document governing the conduct of meetings of WDB, and all its committees except as it may conflict with these bylaws, special rules of order WDB may adopt, WIOA, and applicable federal or state statutes or regulations.

Section 6: Compliance with Open Meetings Act. The WDB and the Executive Committee will abide by the provisions of the State of Michigan's "Open Meetings Act." A notice of the date, time and place of meetings will be posted in advance.

Participation in meetings of WDB or its committees shall be limited to members except in the following cases:

1. Non-members specifically invited to give information to WDB;
2. Non-members who desire to address WDB and who are recognized for that purpose by the Chairperson at appropriate points during the meeting; and
3. Members of Committees who are not members of the WDB may participate in committee meetings.

Section 7: Virtual Meeting Attendance Participation Options.

The Board member requesting virtual participation by teleconferencing must notify the Board Chairperson or the ACSET CEO in writing by 12:00 noon two (2) second business days prior to the meeting so that teleconferencing and/or videoconferencing can be arranged. Failure to establish a video/audio teleconference due to technical or other problems shall not preclude conducting of the meeting, if a quorum is present. Any board member who attends a meeting virtually will be indicated on the meeting minutes as “Present via teleconferencing.” Upon approval of the Chairperson, Board members may appear at a meeting via teleconferencing device, including speaker phone or interactive television, provided that a quorum is present at the meeting site and all individuals attending the meeting can hear, and be heard by, the Board member(s) attending via teleconferencing device. The Board member wishing to participate in meetings by teleconferencing must notify the Board Chairperson or the Agency CEO by 12:00 noon on the business day prior to the meeting that will be missed so the teleconferencing can be arranged. Failure to establish a video/audio teleconference due to technical or other problems shall not preclude conducting the meeting, as long as a quorum is present. In the event that a Board member participates via teleconferencing, this will be indicated on the meeting minutes as “Present via teleconferencing.” Members present via teleconferencing shall be permitted to participate in Board deliberations and vote on matters before the Board, if there is a quorum physically present. However, where the WDB needs flexibility to meet its obligation to provide services in the West Michigan Works Service Delivery Area, WDB members present at a meeting via electronic communication may be allowed to count toward a quorum if the WDB Chairperson approves.

B. Participation by virtual means is defined as a method of participation in the meeting from a remote location by telephonic, video conferencing, or other electronic methods that provides for:

1. Two-way communication, so that all members of the Board, including those physically present and those who are participating by electronic methods, can hear each other; and

2. Members of the public attending the meeting, either physically or by electronic means, can hear all members of the Board, including those who are physically present and those who are participating by electronic means, and be heard by all members of the Board participating in the meeting during the public comment period. If a meeting of the Board is being held electronically, the Board may use appropriate technology to facilitate typed public comments during the meeting submitted by members of the public participating in the meeting that may be read to or shared with members of the Board and other
participants to enable members of the public to be heard by others and be permitted to address the meeting during the public comment period.

Section 8: Minutes. Minutes of all meetings of the WDB and the Executive Committee shall be duly recorded and made available to all interested parties, as required by law. Members of the WDB and the Executive Committee shall review, amend as necessary, and approve the Minutes by formal action at their next meeting. The WDB may revise the proposed changes as they are debated at the meeting but may not alter any other section of the Bylaws not specified in the notice of meeting.

RE: Governing Board Bylaws Amendments

Background:
In a late 2020 Governing Board (GB) Meeting, the GB voted unanimously in favor of defining “present” in the governing board bylaws. Additionally, there were changes to the Michigan Open Meetings Act (OMA) and to the State’s Policy Issuance (PI) 20-12 regarding Conflict of Interest and Nepotism. Due to the changes in the OMA, State PI 20-12, and the GB’s vote to define “present” in the bylaws, the following amendments are now being proposed.

Proposed Amendments:
Proposed changes to the attached GB Bylaws now include:

1. A new Article heading - Article II, “Meetings and Voting.” (Page 3) – All existing sections pertaining to meetings and voting have been relocated under this Article.
2. Article II, Section 6 “Quorum and Voting” (Page 4) – The word “present” is now being defined for quorum purposes. Additionally, this section more clearly distinguishes the actions that require a supermajority vote from those that requires a supermajority vote and supermajority quorum.
3. Article II, Section 8 “Virtual Meeting Attendance” (Page 4) – This new Virtual Meeting Attendance section is being proposed as an addition to the bylaws so that the GB bylaws will allow for virtual participation in meetings. This proposed section complies with the OMA.
4. Article II, Section 9 “Conflict of Interest” (Page 4) – This section is being revised to remove the incorporation of the COI Policy into the GB Bylaws in favor of a reference to the COI Policy only. This revision is suggested to prevent the need to revise the GB bylaws simply because of any later PIs that require additional revisions to ACSET’s COI Policy.

Action:
WMW staff is now requesting the GB to discuss and approve the proposed amendments to the GB Bylaws.

Pursuant to Article II, Section 5 of the Area Community Services Employment & Training (ACSET) Amended Bylaws dated October 1, 2015, a two-thirds (2/3) affirmative vote of the total membership of the Governing Board is required to amend these sections of the GB Bylaws, which means 10 out of the 14 GB members must vote “Yes”.

Amended Bylaws for the Governing Board of the
Area Community Services Employment and Training Council

The Area Community Services Employment and Training Council (hereinafter referred to as "ACSET") is established by an Interlocal Agreement between the governments of the Counties of Allegan, Barry, Ionia, Kent, Montcalm, Muskegon and Ottawa, and the City of Grand Rapids hereinafter referred to as the "Public Agencies." The Interlocal Agreement describes the purpose, structure and functions of ACSET. These Bylaws state the basic operational rules for the Governing Board, which is the governing body of ACSET. The Governing Board is a collaborator with the Workforce Development Board in accordance with the Interlocal Agreement and the Agreement between the Workforce Development Board and the ACSET Governing Board. These Bylaws are not applicable to the transaction of business concerning Community Action Agency (CAA) matters by those members of the Governing Board that represent jurisdictions that have designated ACSET as a CAA. Those members will function pursuant to the ACSET Interlocal Agreement and any written agreement between those jurisdictions. These amended Bylaws, initially approved by the Public Agencies, were effective October 1, 2015 and are now amended again on XXX, 2021.

Section 2: Membership.

a. The members of the Governing Board are elected legislative officials chosen by their respective Public Agencies in accordance with the provisions of the current ACSET Interlocal Agreement.

   • Population estimates by the U. S. Bureau of the Census for each Public Agency.

During this review, the members of the Governing Board will affirm the existing board composition/representation model or recommend to the Public Agencies that the composition of the Governing Board be amended in the Interlocal Agreement to take effect the next even-numbered year.

The Public Agency from which the Chairperson shall be elected for calendar year 2016 shall be chosen by lot, and the Vice-Chairperson shall be chosen from among the representatives of the next Public Agency in the above rotation. Consistent with the above rotation and at the time these Bylaws were amended in 2021, a representative of Ottawa County had been elected as Chairperson and a representative of the City of Grand Rapids was elected as Vice-Chairperson for calendar year 2021. Each shall hold office until a successor takes office, or until resignation or removal.

a. Chairperson. The Chairperson shall be the chief officer of the Governing Board and shall preside at all meetings of the Governing Board.

b. Vice-Chairperson. The Vice-Chairperson shall perform the duties and exercise the power of the Chairperson during the absence or disability of the Chairperson.

The member shall notify the Chairperson of the Governing Board of the appointment in writing indicating the identity of the alternate and that he or she will be unable to serve for at least three consecutive meetings, and shall provide confirmation that the alternate has been appointed by the governing body of his or her jurisdiction. The alternate may exercise all the functions of a member of the Governing Board and shall be subject to these bylaws and, including the ACSET Conflict of Interest and Nepotism Policy Guidelines. The term of the alternate shall end when the regular member resumes his or her duties or at the end of the calendar year, whichever occurs first.

[Section 6: Regular Meeting. No later than the first meeting in the month of January, the Governing Board shall set a day and time for the regular meetings of the Governing Board during the next year.]

The written notice must state the time, place and purpose of the meeting; and the business of the meeting must be confined to the items described in the notice. In urgent cases, the requirement of seven days’ notice in order to hold a special meeting may be waived by the consent of at least one Representative of each Public Agency and provided that there is sufficient time to post a public notice stating the date, time and place of the]

b. Matters that Require a Supermajority Vote and Supermajority Quorum. Any vote that determines service center location(s), Workforce Development Board Bylaws, and the employment, termination, and contract approval of the Chief Executive Officer of ACSET (“ACSET CEO”) will require a seventy-five percent (75%) affirmative vote of the members appointed and serving.

Section 7: Amendment of these Bylaws. The Governing Board shall have the power and authority to alter, amend or repeal these Bylaws at any of its meetings by the affirmative vote of two-thirds (2/3) of the total membership of the Governing Board, except that any amendments to Article I, Section 2 (Membership) or any amendments to the supermajority voting and supermajority quorum requirements of Article II, Section 6 (Quorum and Voting) may be amended only by an affirmative vote of twelve (12) of the fourteen (14) board members. RE: Conflict of Interest & Nepotism Policy, and Virtual Meeting Policy

Background:
In July 2020, the State released Policy Issuance (PI) 20-12 regarding Conflict of Interest and Nepotism. Because of the changes in State PI 20-12, the ACSET Conflict of Interest Policy must be revised.

Additions:
Proposed changes to the Conflict of Interest (COI) and Nepotism Policy include:

1. Section I.C.: The definition of “Immediate Family” has changed along with the definition/explanation of what COI means.
2. Section I.I.: Language has been added that addresses the new requirement that WDB members and employees execute an annual declaration affirming that no COI exists.
3. Section II: Language has been added that addresses COI of WDB members specifically. Most of this language is the language that was previously contained in the June 2020 WDB Bylaws.
4. Section III: Language has been added that addresses COI of Subrecipients.
5. Section IV: Language has been added that addresses Nepotism for Officers and Agents.

The Virtual Meeting Policy is a new policy that will house all the background procedure supporting the virtual meeting participation provisions in the GB and WDB bylaws. In 2020, virtual meeting provisions were added to the Michigan Open Meetings Act (OMA). This new policy is consistent with the OMA.

During the April 12th WDB Meeting, the WDB voted to add the 18-hour time requirement to Section B.3 of the policy. Following the meeting, WMW staff made additional clerical changes to make the policy more user friendly and to clear up confusion that seemed apparent at the WDB meeting.

Action:
At its April 12th meeting, WMW Workforce Development Board approved the attached Conflict of Interest Policy and Virtual Meeting Policy. WMW staff is now requesting that the GB approve the two policies.

RE: Solutions Driven Updates

West Michigan Works! (WMW) continues to provide virtual services to both employers and job seekers, as well as in-person appointments in our Service Centers for employment-related services.

Clean Slate Navigator:
WMW has hired a Clean Slate Navigator and will begin a soft launch of expungement services by April 1. These services will allow certain criminal records to be “set aside”, allowing greater employment opportunities for many residents in West Michigan.

Grants:

Future of Work: Partnered with Michigan Works! Berrien, Cass, Van Buren and Southwest Michigan Works! West Michigan Works! has been paired with three solutions as part of the Future of Work Grand Challenge. These solutions will provide free training to individuals in entrepreneurship, customer service (including sales), and probably machining. Each training will be less than 90 days and serve between 100 and 350 individuals. The solutions are competing for a grand prize, allowing them to scale and expand their solution nationwide.

Digital Literacy and Education: WMW is partnering with Samaritas on The Refugee Digital Literacy and Learning (DLL) program, which will provide support to refugee families as they transition into the American workforce and American school system. The goal of the program is two-fold: to provide a bridge to a broader array of career preparation services; and to lead to self-sufficiency through improved English language acquisition, trainings, skill development, social integration, job placement, job retention, and job upgrades. WMW and Samaritas will have a formal two-way referral process to best support the eligible individuals as they take steps into career opportunities in the US.
State Apprenticeship Expansion (SAE): The Michigan Department of Labor & Economic Opportunity, Workforce Development (LEO-WD) approved our proposal submitted in response to the State Apprenticeship Expansion Grant Program. WMW was awarded $525,800 which will help create 200 new registered apprentices during the grant period of April 13, 2021 through March 31, 2023. This is an increased award amount from our original proposal, submitted to LEO-WD in the amount of $305,000 for 116 new registered apprentices. These funds will help cover employer costs and will allow WMW to scale the registered apprenticeship programs by hiring an additional Apprenticeship Success Coordinator to develop new programs by working with our Industry Talent Councils.

Retention Solutions Network (RSN):

In February, WMW’s RSN Manager left the organization to take another position, and we are using this as an opportunity to somewhat restructure internally to better meet the needs of the RSN, based on what we know after two years of operation. One of the things we will focus on is better integration of all Business and Talent Solutions services to our RSN employers, including work-based learning opportunities and work readiness services for employees.

RSN Employers continue to renew their contracts, and West Michigan Works! will continue to recruit additional employers to join both networks until capacity is reached.
Goings PRO Talent Fund

The Goings PRO Talent Fund has proven to be one of the most effective resources available to address Michigan’s talent crisis. Each year, funding for the Talent Fund must be included in the state budget and approved by the legislature and the Governor. The program has a direct impact on the professional trades workforce gap and helps achieve the Governor’s 60 by 30 goal.

Action:
Secure Funding for FY 2022

Since the inception of the Talent Fund in 2014, over $120 million has been awarded to more than 3,000 businesses across the state, resulting in the retention of over 80,000 jobs. This is in addition to the over $940 million in leveraged dollars and an annual average wage increase of over $3,000 per individual. The Goings PRO Talent Fund is a key component to the strategy of improving access to training and skills development.

The impact of the COVID-19 pandemic on the state’s economy has made the Talent Fund even more important as there is a significantly increased need for reskilling and retraining of workers across the state. However, this increase request should be based upon demand and should not include specific earmarks. Every year, the amount applied for is considerably more than the amount awarded. The lack of available funds results in a loss of potential training, hiring, and increased earning opportunities. The value of increasing funding for the program must be illustrated throughout 2021 to the Governor, lawmakers, the public, and the media to ensure funding is included in the FY 2022 budget.

Unemployment Reforms/Modernization

Action:
Reinstate time frame for work registration to 21 days

Reinstating the time frame for work registration with Michigan Works! to 21 days would provide UIA claimants access to jobs, apprenticeships, and education, decreasing the amount of time collecting unemployment insurance benefits. The reinstatement would also provide employers increased access to qualified talent and help reduce unemployment insurance tax rates.

Action:
Expand work registration at Michigan Works! to include virtual and in-person options

Expanding the work registration to allow for both virtual and in-person options would allow UIA to meet timely first payment requirements, provide claimants more options to connect with their local Michigan Works! locations, and create flexibility for job seekers, including those with transportation challenges and those living in rural communities. Virtual services may also result in the expansion of accessibility windows and provides Michigan Works! partners the ability to connect job seekers to a variety of resources to get back to work quicker.

Adopted by the Board of Directors Feb. 25, 2021
PARTNERSHIP. ACCOUNTABILITY. TRAINING. HOPE. (PATH) PROGRAM

Many families seeking cash assistance face significant barriers in securing and retaining employment. From child care to transportation and literacy, caseworkers cite a long list of barriers that can keep families from achieving self-sufficiency. The primary goals of the PATH program are twofold. First, the PATH program identifies barriers and helps participants connect to the resources they need to obtain employment. Second, the program helps Michigan reach the federally mandated fifty percent (50%) work participation rate. The Department of Health and Human Services (DHHS) and the Department of Labor and Economic Opportunity (LEO) work together to provide PATH services through Michigan Works!.

ACTION:

Continuation of funding for the PATH Program

Michigan Works! advocates for continued funding for the PATH program. Michigan Works! is able to use the PATH program to connect workers who are very much at risk of dropping out of the workforce over the long term, lifting them into jobs that are right for them, and helping strengthen our state’s pipeline of talent.

ACTION:

Support funding and local control for New American population and TANF Summer Employment

Through PATH, tens of thousands of individuals have ended their dependence on public assistance and become skilled, productive contributors to Michigan’s economy. Part of this success is in the ability of local workforce development boards to maintain decision making ability in how these funds are spent, specifically for the New Americans population and the youth summer employment program. A measure of local control ensures that the various communities around the state can utilize these funds efficiently. What works for those in urban environment, may not be as successful in a more rural setting.

ACTION:

Work with state partners to house all workforce programs in one state department

This initiative would create a “one-stop” for all workforce development programs administered by the state, ensuring efficiency and ease of use. Michigan Works! would be able to coordinate with a single entity when engaging with the state, ensuring our customers are receiving the very best service the state has to offer. In this endeavor, Michigan Works! and LEO could work as allies when engaging with the federal government on matters of policy and regulations.
ABOUT THE MICHIGAN WORKS! ASSOCIATION

As the professional organization representing the Michigan Works! network, the Michigan Works! Association is committed to advocating for workforce development issues throughout its system, the employers they serve and the job seekers who walk through their doors each day.

Each year the Association does a thorough review, through its Legislative Committee, of current and upcoming state issues that impact workforce development and establish the Association’s state policy priorities and positions.

We advocate on the state level by setting up one-on-one meetings between Michigan Works! leaders and lawmakers from their districts to discuss workforce development issues.

We also host an annual Legislative Day that gives Michigan Works! leadership the opportunity to hear from legislators on current topics as well as the opportunity to talk with them about issues happening in their communities.
